A tractor-trailer truck operated by Elmer C. Adkins, Baltimore, crashed into the side of a bridge on the Carlisle-Hanover road a quarter of a mile south of York Springs at 10:40 o'clock Sunday morning, state police of the Gettysburg sub-station said.

Adkins told state police that a passenger car was "huguenot" the center of the road and forced him over, the cab and trailer hooking the bridge over a small creek. The underpart of the cab and trailer were torn away and the bridge wall damaged. No one was injured.

Police estimated damage to the tractor-trailer at \$4,750, and to the bridge at \$250.

Officials said it was one of the largest and best horse shows held this year in Maryland. There were 175 entries from 75 states. More than 100 horses were shown. One of the high points of the afternoon was the effective handling of the show by Preston Howard, Hagerstown, ring marshal.

Two classes were run off with light furnished by many ringside automobiles. The announcer was Harvey E. Smith. The public address system was in charge of Ralph McDonnell, Emmitsburg, appliance dealer.

Jerry A. Carby, Towson, Md., president of the Maryland Horse Show association, was one of the judges. YOUNG GERMAN DOCTOR SPEAKS HERE SATURDAY

Dr. Ernest L. Wynder, 28-year-old native of Westphalia, Germany, who served in the U. S. armed forces for three years after spending three months at Camp Sharpe, intelligence training camp on the Gettysburg battlefield, and author of a much discussed recent paper on lung cancer, will address the auxiliary of the Adams County Medical Society next Saturday night at 9 o'clock.

Doctor Wynder was invited to speak here by Mrs. C. H. Johnson, who will be hostess to the medical society auxiliary at the home of her mother, Mrs. John D. Keith, Carlisle street. Members of the county medical society, Emmitsburg and Taneytown staff members of the Warner hospital and staff members at Mont Alto sanatorium have been invited to hear Doctor Wynder.

Served Overseas

The young physician received his undergraduate training at New York university where he was elected to Phi Beta Kappa. After graduation in 1943 he joined the armed forces and served in France and Germany. Upon his separation from the army he entered the Washington University School of Medicine, St. Louis, from which he graduated early this summer. At present he is interning in medicine at Georgetown university hospital in Washington, D. C.

While in medical school Dr. Wynder was actively engaged in cancer research and for two years carried out experimental cancer work in the laboratory of Dr. E. V. Cowry, one of the foremost oncologists (tumors) in the country. In his junior year the young medical student became interested in clinical cancer research and began the study of lung cancer.

Published by AMA

The results of this study, supported by a grant from the American Cancer Society, and carried out with Dr. Everts A. Graham, have been published in the Journal of the American Medical Association. Doctor Graham is remembered as the first surgeon to perform a pneumonectomy. He removed a cancerous lung from a Pittsburgh physician.

Dr. Wynder's studies reveal evidence that tobacco plays a significant role in the induction of lung cancer. For his part in this study he received the Borden prize, awarded to the undergraduate at Washington university, who has carried out the most meritorious research while in medical school.

During the summer Dr. Wynder attended the International Cancer Congress in Paris where he had been invited to present a paper on his lung cancer studies. He also spoke in London and Vienna. He is continuing his research studies at Georgetown university, his work directed at the identification and isolation of possible cancer-inducing substances in tobacco.

Doctor Wynder will be interviewed on WGCT next Saturday evening at 6:05 o'clock.

Smoke Clouds From Canadian Forest Fires Darken Pa. Skies

(By The Associated Press) A heavy overcast covered Pennsylvania yesterday, plunging much of the state into an early darkness, coloring the skies yellow and purple and indirectly causing one death.

Noah L. Richardson, 65, was killed by an auto as he tried to cross a street in Tyrone in the darkness of mid-afternoon.

Meteorologists looked for clearing skies today although they said considerable smoke was drifting at high level from vast forest fires in Canada.

The director of the Fels Planetarium in Philadelphia called the phenomenon "unique." Dr. I. M. Levitt explained that "any kind of particle in the sky—dust, smoke or ice—can cause a change in the coloration of the sun, as well as the sky itself." But, he added he "had never heard of nor seen" such a sun as was evident in the state yesterday.

Observers reported the color of the sky ranged from pale yellow to brilliant aquamarine to bright lavender. Here at sundown the west was dark but southern and eastern horizons were rimmed with bright yellow or orange while weird bronze clouds roiled overhead.

YWCA TURNS TO COUNTIANS FOR PART OF FUNDS

On October 1 the Gettysburg Young Women's Christian Association will launch a drive for \$1,000 from sections of Adams county beyond Gettysburg and its immediate rural surroundings.

The sum is being sought to help pay for renovations and improvements at the YWCA building that cost a total of \$4,000. The campaign will be handled by the Finance committee of the "Y."

The Gettysburg Community Chest has included \$2,000 for the YWCA in its budget for its annual drive late in October and the YWCA organization itself had contributed \$1,000 toward the cost of the improvements. The other \$1,000 is being asked of residents of other county communities and rural sections.

To Announce Captains

"The YWCA of Gettysburg serves many people from wide sections of our county," a "Y" spokesman said. "Therefore last spring when plans were made for renovating the building, the Community Chest suggested that the county folk be asked to help finance the project."

Captains for the drive will be announced later this week. The members of the Finance committee that will direct the fund-raising effort include: Miss Rosea Annor, Mrs. William T. Timmins, Jr., Mrs. Frank H. Kramer, Mrs. Abe Harris, Mrs. L. Musselman Arnold, Mrs. George D. Ditchburn and Mrs. Lloyd C. Keesauver.

Improvements at the "Y" building in Lincoln Square included the re-arrangement and enlarging of rooms for meetings of the many organizations that regularly use the YWCA building. A game room was constructed on the second floor of the building and the interior of the building was re-decorated.

UN Forces Stab Deep Inside Seoul Against Desperate Red Resistance; Cut Gap To 40 Mi.

By LEIF ERICKSON
Tokyo, Sept. 25 (AP)—Allied forces stabbed deep inside Seoul tonight against desperate Red Korean resistance.

U.S. Marines planted the American flag on a hilltop in the capital less than two miles from a major Allied goal—the modern Duk Seo palace.

To the southeast, U.S. First Cavalry Armored patrols drove into Chongju, only 40 miles from the nearest point of the Korean second front spreading out from the Inchon-Seoul beachhead.

Seventh Divisions patrols striking south from Seoul punched through Osan, 30 miles south of the capital. Osan was the city where American troops first entered the war early in July.

70 Miles In Four Days

The First Cavalry task force had driven 70 miles in four days. A link-up of the two forces threatens to seal tens of thousands of Red troops in the south.

The fight for Seoul was pushed against Communist troops fighting from mud-hut to mud-hut. Other Reds held high points and poured deadly fire into Allied forces.

One of these was South mountain, a commanding 700-foot hill in southern Seoul. Seventh Division troops crossed the Han river Monday under cover of dawn mists and thrust against the hill position.

The Stars and Stripes waved over the highest point in Seoul's southwest Tong Mak Sang district. It was put there Sunday night, by marines of Col. Lewis (Chesley) Puller's First Marine regiment.

Seek 3,000 Prisoners

Tenth Corps officers expressed hope the flag would show within a few hours over Duk Seo in the heart of Seoul, Marines, doughboys and South Koreans drove on the city's center from the southeast, southwest, west and north.

Puller's regiment stormed across the bridgeless Han Sunday morning near Yungdongpo. It bid deep into the Tong Mak Sang district and threw mortar and artillery fire at Red defenders on South mountain and the big Seoul army barracks nearby.

Marines searched a jail in the southwest district, seeking 3,000 American prisoners reported in Seoul. But a South Korean underground operator said the Reds had removed them several days ago.

South Korean marines drove across ridges on the western side of the city.

U. S. Fifth Regiment Marines who made the first Han crossing last Wednesday were pushing deeper into the city on the north.

All four penetrating forces were aiming at the granite Duk Seo palace where Americans and Russians twice in the past haggled in vain over proposals to unify Korea.

Fresh Troops Land

Fresh Allied troops swarmed into the second front beachhead, adding power to the fight for Seoul and against Reds coming up in disorder from the old southeast beachhead.

An American airborne unit of 2,400 men landed at Kimpo airfield northwest of Seoul Sunday after a quick ship trip from the United States to Japan. It was not identified. A hundred and fifty transport planes ferried the airborne infantry—complete with battle kit—from Japan to Kimpo.

20 CENTS IN OLD COINS SELL FOR \$17 ON SATURDAY

Twenty cents brought \$17.65 at the sale of John W. Black, Gettysburg R. 3, Saturday afternoon. The 20 cents however were all in old coins, mostly one-cent pieces—one of which, dated 1858, sold for 73 cents, and a few two-cent and three-cent pieces. One silver three-cent piece—the kind of money Uncle quit minting in the 1850s, brought \$3.50.

Mr. Black, who sold his farm near Mummaburg after 35 years as a farmer there, had approximately 1,000 present for his sale of household furnishings.

Nearly \$1,400 was realized from the sale. A corner cupboard sold for \$46; an old fashioned, big kitchen sink sold for \$34. Hams brought from 99 cents to \$1.15 a pound and shoulders sold from 65 to 80 cents a pound.

A six-leg, drop leaf table brought \$57 and another six-leg table sold for \$33.

Mr. Black, who taught in the Adams county rural schools for 18 years, was secretary of the Cumberland township school board for 13 years, was among the pioneers in soil conservation work in the county and served as merchant appraiser at one time, plans to reside at Ephrata with his son-in-law and daughter, Mr. and Mrs. Elias Rudy, during the winter, returning to Mummaburg next summer.

IS WOUNDED IN KOREAN ACTION

Pfc. Kenneth B. Klinedinst, 20-year-old son of Mr. and Mrs. Stewart E. Klinedinst, Abbottstown, was wounded September 10, at the Korean war front, according to word received by the parents Thursday afternoon from the adjutant general's office, Washington, D. C.

Pfc. Klinedinst graduated from the East Berlin high school in the class of 1948 and following his graduation assisted his father in the contracting business. He enlisted in the army at the Hanover recruiting station January 7, 1949, and had been in service 20 months. He received his basic training at Fort Lewis, Wash. He was transferred to Japan about August 12 and was then sent to Korea.

The last letter from him was received about two weeks ago by his parents. In it, he informed them of his transfer to Korea and told them he had met his brother, Pfc. George L. Klinedinst, 19. The letter from Kenneth stated that the two boys had met for the first time since joining the army, and that George was then in a rest camp after having been marooned for nine days in a pocket on the front lines without food, water, or supplies, until they were supplied by aerial drops of food and ammunition. Later the group was rescued by advancing troops, and then ordered to a rest camp in the rear of the front.

Dominican Priest Here

In announcing the special prayers, the Rev. Fr. Anthony Kane, pastor of the church noted: "With the shadow of war hovering over us with hundreds of thousands of our young men being called to military service, we should use this opportunity to make reparation for the offenses of sinful mankind, and to ask Almighty God to spare us the horrors of another war. War is not inevitable; prayer can save us."

The services continued today and will last through Tuesday. Masses were said at 5:30, 7 and 8 o'clock this morning and will be said again at the same hours Tuesday. YOUNG GERMAN DOCTOR SPEAKS HERE SATURDAY

Dr. Ernest L. Wynder, 28-year-old native of Westphalia, Germany, who served in the U. S. armed forces for three years after spending three months at Camp Sharpe, intelligence training camp on the Gettysburg battlefield, and author of a much discussed recent paper on lung cancer, will address the auxiliary of the Adams County Medical Society next Saturday night at 9 o'clock.

Doctor Wynder was invited to speak here by Mrs. C. H. Johnson, who will be hostess to the medical society auxiliary at the home of her mother, Mrs. John D. Keith, Carlisle street. Members of the county medical society, Emmitsburg and Taneytown staff members of the Warner hospital and staff members at Mont Alto sanatorium have been invited to hear Doctor Wynder.

Served Overseas

The young physician received his undergraduate training at New York university where he was elected to Phi Beta Kappa. After graduation in 1943 he joined the armed forces and served in France and Germany. Upon his separation from the army he entered the Washington University School of Medicine, St. Louis, from which he graduated early this summer. At present he is interning in medicine at Georgetown university hospital in Washington, D. C.

While in medical school Dr. Wynder was actively engaged in cancer research and for two years carried out experimental cancer work in the laboratory of Dr. E. V. Cowry, one of the foremost oncologists (tumors) in the country. In his junior year the young medical student became interested in clinical cancer research and began the study of lung cancer.

Published by AMA

The results of this study, supported by a grant from the American Cancer Society, and carried out with Dr. Everts A. Graham, have been published in the Journal of the American Medical Association. Doctor Graham is remembered as the first surgeon to perform a pneumonectomy. He removed a cancerous lung from a Pittsburgh physician.

Dr. Wynder's studies reveal evidence that tobacco plays a significant role in the induction of lung cancer. For his part in this study he received the Borden prize, awarded to the undergraduate at Washington university, who has carried out the most meritorious research while in medical school.

During the summer Dr. Wynder attended the International Cancer Congress in Paris where he had been invited to present a paper on his lung cancer studies. He also spoke in London and Vienna. He is continuing his research studies at Georgetown university, his work directed at the identification and isolation of possible cancer-inducing substances in tobacco.

Doctor Wynder will be interviewed on WGET next Saturday evening at 6:05 o'clock.

Smoke Clouds From Canadian Forest Fires Darken Pa. Skies

(By The Associated Press)

A heavy overcast covered Pennsylvania yesterday, plunging much of the state into an early darkness, coloring the skies yellow and purple and indirectly causing one death.

Noah L. Richardson, 65, was killed by an auto as he tried to cross a street in Tyrone in the darkness of mid-afternoon.

Meteorologists looked for clearing skies today although they said considerable smoke was drifting at high level from vast forest fires in Canada.

The director of the Fels Planetarium in Philadelphia called the phenomenon "unique." Dr. I. M. Levitt explained that "any kind of particle in the sky—dust, smoke or ice—can cause a change in the coloration of the sun, as well as the sky itself." But, he added he "had never heard of nor seen" such a sun as was evident in the state yesterday.

Observers reported the color of the sky ranged from pale yellow to brilliant aquamarine to bright lavender. Here at sundown the west was dark but southern and eastern horizons were rimmed with bright yellow or orange while weird bronze clouds roiled overhead.

YWCA TURNS TO COUNTIANS FOR PART OF FUNDS

On October 1 the Gettysburg Young Women's Christian Association will launch a drive for \$1,000 from sections of Adams county beyond Gettysburg and its immediate rural surroundings.

The sum is being sought to help pay for renovations and improvements at the YWCA building that cost a total of \$4,000. The campaign will be handled by the Finance committee of the "Y."

The Gettysburg Community Chest has included \$2,000 for the YWCA in its budget for its annual drive late in October and the YWCA organization itself had contributed \$1,000 toward the cost of the improvements. The other \$1,000 is being asked of residents of other county communities and rural sections.

To Announce Captains

"The YWCA of Gettysburg serves many people from wide sections of our county," a "Y" spokesman said. "Therefore last spring when plans were made for renovating the building, the Community Chest suggested that the county folk be asked to help finance the project."

Captains for the drive will be announced later this week.

The members of the Finance committee that will direct the fund-raising effort include: Miss Rosea Annor, Mrs. William T. Timmins, Jr., Mrs. Frank H. Kramer, Mrs. Abe Harris, Mrs. L. Musselman Arnold, Mrs. George D. Ditchburn and Mrs. Lloyd C. Keefeaver.

Improvements at the "Y" building in Lincoln Square include the re-arrangement and enlarging of rooms for meetings of the many organizations that regularly use the YWCA building. A game room was constructed on the second floor of the building and the interior of the building was re-decorated.

Begin Rescue Of 16 Airmen

Halifax, N. S., Sept. 25 (AP)—Parachutists have been dropped to begin rescue operations for 16 United States airmen whose B-50 bomber crashed Thursday in Labrador wilderness, the Fort Pepperell Air Base reported today.

The stricken bomber was discovered last night after being missing for three days, and a U. S. force team immediately took steps to evacuate the men by helicopter. The helicopter will move the men to a nearby lake, where a Canadian amphibian plane will pick them up. The Royal Canadian Air Force said an RCAF Lancaster spotted the plane some 95 miles southwest of Goose Bay.

The U. S. Air Force unit at Goose Bay began immediate preparations to evacuate the 12 crewmen and four passengers, missing on a routine flight from Goose Bay to Tucson, Arizona. All are military personnel.

A helicopter is expected to make the tricky flight today to pick up the survivors and transfer them to the shore of a nearby lake. An amphibian plane will fly them to Goose Bay.

Tokyo, Sept. 25 (AP)—Allied forces stabbed deep inside Seoul tonight against desperate Red Korean resistance.

U. S. Marines planted the American flag on a hilltop in the capital less than two miles from a major Allied goal—the modern Duk Soo palace.

To the southeast, U. S. First Cavalry Armored patrols drove into Chongju, only 40 miles from the nearest point of the Korean second front spreading out from the Inchon-Seoul beachhead.

Seventh Divisions patrols striking south from Seoul punched through Osan, 30 miles south of the capital. Osan was the city where American troops first entered the war early in July.

70 Miles In Four Days

The First Cavalry task force had driven 70 miles in four days. A link-up of the two forces threatens to seal tens of thousands of Red troops in the south.

The fight for Seoul was pushed against Communist troops fighting from mud-hut to mud-hut. Other Reds held high points and poured deadly fire into Allied forces.

One of these was South mountain, a commanding 700-foot hill in southern Seoul. Seventh Division troops crossed the Han river Monday under cover of dawn mists and thrust against the hill position.

The Stars and Stripes waved over the highest point in Seoul's southwest Tong Mak Sang district. It was put there Sunday night by marines of Col. Lewis (Chesty) Puller's First Marine regiment.

Seek 3,000 Prisoners

Tenth Corps officers expressed hope the flag would show within a few hours over Duk Soo in the heart of Seoul. Marines, doughboys and South Koreans drove on the city's center from the southeast, southwest, west and north.

Puller's regiment stormed across the bridgeless Han Sunday morning near Yongsungpo. It bid deep into the Tong Mak Sang district and threw mortar and artillery fire at Red defenders on South mountain and the big Seoul army barracks nearby.

Marines searched a jail in the southwest district, seeking 3,000 American prisoners reported in Seoul. But a South Korean underground operator said the Reds had removed them several days ago.

South Korean marines drove across ridges on the western side of the city.

U. S. Fifth Regiment Marines who made the first Han crossing last Wednesday were pushing deeper into the city on the north.

All four penetrating forces were aiming at the granite Duk Soo palace where Americans and Russians twice in the past haggled in vain over proposals to unify Korea.

Fresh Troops Land

Fresh Allied troops swarmed into the second front beachhead, adding power to the fight for Seoul and against Reds coming up in disorder from the old southeast beachhead.

An American airborne unit of 2,400 men landed at Kimpo airfield northwest of Seoul Sunday after a quick ship 'trip from the United States to Japan. It was not identified. A hundred and fifty transport planes ferried the airborne infantry—complete with battle kit—from Japan to Kimpo.

On questions from Attorney Franklin R. Bigham, Kuykendall denied flatly that he had "helped or thrown" Mrs. Seymour out of the car. He also said Mrs. Seymour had not become ill on the road home.
Door Strap Broken
Booth Koontz and Mrs. Kemper were asked to confirm statements Kuykendall made at the hospital the morning of the accident. Pvt. Yercavage described Kuykendall's condition at the hospital as "almost hysterical" but said later questioning that day at the police barracks had brought forth the same account of events.
Koontz said a forward and downward movement of the latch on the back door of the car was required

to open it and Officer Yercavage said it was in good working order, although at the hospital it was found the check strap on the door, which was hinged at the back, had been freshly broken.
Members of the jury were William A. Bigham, James A. Aumen, George M. Zerling, J. J. Augustine, John Ohler and Hugh C. McIlhenny, foreman.

RADIO

New York, Sept. 23 (AP) — Before dawn comes again, clocks everywhere will be standard time again, and the networks will be back on standard time schedule.

The end of Daylight Saving eliminates the double time relay in effect all summer so that programs would agree with local times whether Daylight or Standard. Shows will go to all stations simultaneously, eliminating a number of complications.
Actually, in most areas there will be no apparent clock change in the program listings, which, in this column, beginning with broadcasts for Sunday, will be carried once more under Eastern Standard time.

U.S. NARCOTICS
AGENT IS SLAIN
St. Paul, Minn., Sept. 25 (AP)—One Federal narcotics agent was killed and another wounded in a Sunday morning opium raid on a downtown hotel here. Four men—one of them wounded in an exchange with the agents—were taken into custody.
Killed by a bullet through the heart was A. M. Bangs, 50, chief of the U. S. Narcotics Bureau for the northwest area. Joseph Winberg, 27, a narcotics agent, was shot through the side.
John Wong, 50, is held under guard in a hospital. He was wounded five times. Doctors said both wounded men have a chance to recover.
Bangs, Winberg and a third agent, Virgil Magnuson, found Wong and three other men in a hotel room, authorities said. Some were smoking opium. Leaving Magnuson to guard the other three, Bangs and Winberg took Wong to his own room after he told them he had more opium there.
"He went into the closet — and brought out this jar of opium," said Winberg in a statement from his hospital bed.
Bangs asked him if that's all he had. He reached back and whipped out a gun.
"We both jumped him and he shot me first and I fell and the three of us were in the closet and wrestling around and he shot Bangs too. I grabbed his gun to keep him from shooting any more and Bangs finally pulled out his gun and he shot Wong."
CONDITION IMPROVES
William Price, son of Mrs. Helen Price, Baltimore street, who had been seriously ill in a Waynesburg hospital, is reported as much improved.

angry words. They said they heard voices in the back seat but did not overhear the conversation.

On questions from Attorney Franklin R. Bigham, Kuykendall denied that he had "helped or thrown" Mrs. Seymour out of the car. He also said Mrs. Seymour had not become ill on the road home.

Door Strap Broken
Booth Koontz and Mrs. Kemper were asked to confirm statements Kuykendall made at the hospital the morning of the accident. Pvt. Yercavage described Kuykendall's condition at the hospital as "almost hysterical" but said later questioning that day at the police barracks had brought forth the same account of events.

Koontz said a forward and downward movement of the latch on the back door of the car was required

to open it and Officer Yercavage said it was in good working order, although at the hospital it was found the check strap on the door, which was hinged at the back, had been freshly broken.

Members of the jury were William A. Bigham, James A. Aumen, George M. Zerfing, J. J. Augustine, John Ohler and Hugh C. McIlhenny, foreman.

Warriors Top Delone 12-0 On Two Fourth Period Scores

For the first time since 1942 and the second time in their 10-game series, the Gettysburg high school football team owns a football victory over Delone Catholic high of McSherrystown.

That was accomplished here Saturday night when the Warriors scored a pair of touchdowns in the final quarter to gain a hard-earned 12-0 victory before approximately 3,000 fans.

A trio of small but clever ball carriers, Wayne Tensel, Dick and Bobby Miller, turned in fine exhibitions in ball totting to thrill the crowd and were given fine assistance throughout the evening by other Warrior participants.

Saturday's contest was a thriller the whole way despite the lack of scoring until the final period. The old rivals played hard games and are to be commended for their clean play, the only penalties inflicted during the evening being on off-side infractions.

Late in the third quarter Gettysburg took possession of the ball on its own 33 by halting the Squires and from there launched a drive which ultimately led to the first score.

GHS Attack Clicks
Tensel went through center for five yards and then raced 35 yards around left end for a first down on the Delone 30. Bob Miller circled right end for eight yards and then Dick Miller cracked through center and streaked 22 yards before being caught on the 1 as the quarter ended.

On the first play Delone recovered a Warrior fumble on the one-foot mark. Delone elected to run the ball out and Ed Steinberger, a fine performer all evening for Delone, picked up five yards. Another running play was attempted but the ball was fumbled and Clyde Cleveland, Warrior guard, pounced on the leather on the 6-yard mark. Singley was halted on a line buck and Bob Miller lost two yards at right end. Bill Singley then fired a pass over the line to Dick Harriel, another fine performer, who was downed on the 1. Singley pushed over on a quarterback sneak. "Soapy" Davis' placement for the point was low.

Score Follows Interception
The Warriors' second tally was set up in the closing minutes of the quarter when Dick Harriel intercepted a pass by Mummia on the Delone 27. On the next play Bob Miller cracked through center, shook loose from several would-be tacklers and cut to his left and raced the remaining distance. Barry kick for the point was wide.

Although there was no score in the first three periods there was plenty of action for the fans. Bill Heyser returned Delone's kickoff to the 35 and then the Warriors moved into Squire territory only to lose the ball on the 37 via a fumble. Timmins and Sheaffer picked up a first down on the 47. T. Conrad, attempting to pass, was rushed by the Warrior forward wall and fumbled with Clyde Cleveland falling on the pigskin on the 36. Bob Miller cracked through center to put the ball on the 19 but the threat evaporated when Breighner fell on another Gettysburg fumble on the 23.

Squires Threaten
Delone made a bid for a score early in the second period when Mummia whipped a pass to Steinberger which was good for 25 yards and a first down on the Gettysburg 39. The Warriors were equal to the occasion and took over on the 35. Sheaffer, Delone back, suffered an injury to his right ankle which kept him side-lined the remainder of the half although he entered the contest for single plays several times during the last two rounds.

Coach Yanoschik's Squires received the second half kickoff and reeled off two first downs before yielding the ball on the Gettysburg 35. Midway in the third period a pass was batted by a Warrior defender into the arms of Steinberger which put the ball on the Gettysburg 38 but again the Squires lacked the punch to move forward and the Warriors took over on the 33 from where they marched downfield to set the stage for their first tally in the fourth period.

Once again all of the regulars deserve credit in sharing the victory. In addition to Tensel and the Miller boys, other fine backfield performances were turned in by Singley, Williams, Hoffman and Eberhart. Up front the Cleveland brothers, Harriel, Heyser, Sanders, Staley and Davis, with their understudies, Small Skinner, Carter and Elland turning in highly satisfactory exhibitions.

Steinberger was particularly outstanding for the visitors while Breighner was a brilliant performer on the defense.

Delone outgained Gettysburg 10 first downs to seven. The Squires fired 15 passes, completing five while three were intercepted. Gettysburg made good on one of four aerials, one being intercepted.

Today the Warriors start drills for their initial South Penn conference game with Carlisle here Friday night. Carlisle, unbeaten in two starts, is picked by many to win the 1950 loop title.

Penn-Adams Baseball League

Bendersville knotted its series at one-game apiece as it defeated Wrensville 6 to 5 in the second of the three-game semi-final series in the Penn-Adams league played Sunday afternoon at Bendersville.

Trailing 5 to 4 as they came to bat in the bottom of the final inning, Bendersville quickly filled the bases with no one out. Then Griffie pounded out a clean single to score the tying and winning runs. By common consent the game was shortened to seven innings because of the cold weather.

Cluck, who hurled the last inning after the starting pitcher, Frederick Kuntz, was hit on the right hand with a hit ball, was the winning pitcher. Naylor, who was relieved in the final inning by Baltzley, was the losing hurler. Catching for the winners was M. Kuntz and for the losers, Allison.

Bendersville was chosen as the scene of the final contest after Manager Ed Singley had won the toss of a coin. The game will be played Sunday afternoon at 2 o'clock. Winner of this final game will enter the championship playoff series with Fairfield for the Penn-Adams crown.

The Bendersville club will meet at the diamond Saturday afternoon at 3 o'clock to get the field in readiness and hold a short practice.

DETROIT, SOX CHANCES FADE OVER WEEK-END

By RALPH RODEN
(Associated Press Sports Writer)
The 1950 American league pennant race is just about over but it will be remembered as long as baseball is played as the year that catcher Aaron Robinson pulled one of the most colossal "Boners" in history.

Robinson's blunder gave the Cleveland Indians a 2-1 ten-inning victory over Detroit yesterday and practically erased the Tigers' pennant hopes.

The defeat dropped the second place Tigers 2½ games behind the New York Yankees, who virtually knocked third place Boston out of contention by trouncing the Red Sox, 9-5.

Strange Game
Robinson's "Rock" came in one of the strangest games ever played. At game time in Cleveland it was so dark because of dust and smoke that the lights were turned on.

The astounding play occurred as follows:
Bob Lemon tripped to start the Cleveland tenth. Tiger Manager Red Rolfe ordered Ted Gray intentionally to walk the next two batters to set up a force play at every base.

Larry Doby then popped to first baseman Don Kolloway. Luke Easter followed with a grounder to Kolloway. Kolloway stepped on first to retire Easter and pegged to Robinson.

Failed To Tag Runner
Robinson grabbed the throw and stomped on the plate while Lemon was starting his slide about eight to ten feet away.

Umpire Bill Summers thumbed Lemon out, but the Pitcher slid across the plate. Robinson, apparently thinking he still had a force play, made no attempt to tag Lemon. The Cleveland bench dashed at Summers and brought first base Umpire Charley Berry along. When it was pointed out to Summers that Lemon had to be tagged in order to be declared out, Summers reversed his decision and called Lemon safe.

Lemon was the whole works. He stopped the Tigers on five hits to gain his 22nd victory and scored both runs. Lemon socked his sixth homer in the fourth to drive in the first run of the game.

Easy Sailing For Yanks
The Yanks had fairly easy sailing against the Red Sox before 66,924 fans at Yankee stadium. They piled up a 6-1 lead in four innings for Vic Raschi who went all the way to post his 21st victory.

Two home runs by Ted Williams and another by Bobby Doerr accounted for half of the Red Sox hits.

In remaining American league games the Washington Senators tripped the Philadelphia Athletics, 3-1, and the St. Louis Browns dumped the Chicago White Sox twice, 5-0 and 6-1.

The Philadelphia Phillies lost ground in the National league race as they suffered a humiliating 11-0 defeat at the hands of the second place Brooklyn Dodgers. The Dodgers now trail by five games.

Erv Palica, young righthander, tamed the Phils on two hits and featured a game winning six run rally in the fifth inning with a grand slam homer. Palica held the Phils hitless until the eighth when Andy Seminick singled. Del Ennis doubled in the ninth for the Phils' final hit.

Three-run homers by Hank Thompson and Don Mueller paced the New York Giants to a 12-4 victory over the Boston Braves. Jim Hearn was the winner and 19 game winner Vern Bickford the loser.

In other National league games the Chicago Cubs trounced the St. Louis Cardinals, 8-3, and the Cincinnati Reds and Pittsburgh Pirates divided a doubleheader. The Reds won the opener, 7-1, behind Ewell Blackwell and the Pirates the nightcap, 3-2.

Adams County Baseball League

The Hanover Moose won the opener of the best-of-three series for the playoff championship of the Adams County Baseball league by blanking New Oxford 3-0 on the latter's field Saturday afternoon.

Next Saturday the second game of the series will be played at Hanover.

Bisons Score 3 TDs In First Period To Top Bullets 20-15

Three quick touchdowns and two extra point conversions in the first quarter gave Bucknell university a 20-15 victory over an underdog Gettysburg college eleven Saturday night at Lewisburg before 9,000 fans.

But in victory, the Bisons were on the ropes nearly the entire final period as the Breamites gained experience in the first half and came roaring back to come close to victory.

When the second half began few people in the stands would have given the Bullets a chance. Here the Gettysburg defense stiffened and the attack, marred in the first half by fumbles and pass interceptions, gained strength.

Bucknell Opens Fast
The game was only one minute and five seconds old when fullback Bob Albert of Bucknell took a hand-off from Maebly, hit the center of the Gettysburg line, and outdistanced the secondary to run 55 yards for the first touchdown of the game. Mason added the extra point.

Less than three minutes later, it was this same Albert on the same type of play who broke through the Gettysburg line and dashed 20 yards for the second touchdown. Mason's extra point attempt was wide.

Bob McCoy returned Mason's kickoff to the Gettysburg 28, and the Bullets began a drive of their own. Jack Jones and Don Young drove out a first down on the Bullet 43. Jones, Ron Fitzkee and a pass—Bob Bitner to Don Emert—carried to the Bucknell 44. Jones and Young alternated in carrying the ball to the 32. After a five-yard penalty for offside, Gettysburg made another first down on the Bison 16 when Jones and Young each carried for 10 yards. The attack stalled when three passes went incomplete and Fitzkee picked up one yard on a pitchout.

Bucknell didn't waste much time in getting its next score as Van Johnson and Hetsko alternated to bring the ball out to the Bucknell 37. On the next play, Maebly tossed the ball back to Albert who threw a long pass to Hetsko for a touchdown. Mason again added the extra point.

The second quarter saw Gettysburg on the defensive most of the time, and holding Bucknell on the Bullet 9 and again on the 21.

Bream-Men Score
After Mason kicked off to Day who returned to the Gettysburg 40 to start the second half, the Bullets drove to the Bison 3 where a quarterback sneak and an incomplete pass ended the threat. Albert hit the line for no gain for Bucknell and when Hetsko was tackled by McCoy and Al Herschberger in the end zone, Gettysburg scored two points.

Mason again kicked off and Day returned to the Bullet 46. On the next play Bitner tossed a 20 yard pass to Ron Fitzkee who outraced the secondary for a touchdown. Fitzkee's attempted placement was wide.

With the score 20-8, Bucknell drove down to the Bullet 14 where the Breamites held and took over. After a Bitner-Jones pass gained a first down, the attack was stymied and Jones punted to Maebly who was tackled on the Bucknell 45.

Myers picked up eight yards on two tries and Albert tossed a pass to Gallagher on the Bullet 29. The pass was incomplete but the officials awarded the ball to Bucknell on the 29 on pass interference. The decision brought a howl of protest from the Gettysburg bench and a Bronx cheer from the many Gettysburg fans who followed the team.

The threat was ended temporarily seconds later when Bud Pettit intercepted a Maebly aerial. Albert intercepted Bitner's pass on the next down on the Gettysburg 28.

Bucknell drove to the Bullet 32 in four plays but Myers fumbled and Tom Faulkner recovered for the visitors.

Early in the fourth quarter Bucknell threatened again but was turned back on the Bullet 23. The Bullets were penalized five yards, but Bitner passed to Fitzkee for a first down on the Gettysburg 47. Another Bitner-Fitzkee pass carried to the Bison 43. Jones on a pitchout, Emert on an end around and Fitzkee combined to carry to the 27.

TD On Pass
A Bitner-Emert pass to the 12 was awarded the Bullets on pass interference. Unable to gain in three downs on two incompletes and passes and a line buck, Gettysburg scored when Bitner passed to Young down the middle. Fitzkee's placement attempt was good.

Gettysburg held the Bisons and took over on its own 43 where Maebly's punt went out of bounds. After a Bitner pass went incomplete, Albert intercepted on the Bucknell 31 to end the threat.

CADETS DEFEAT L-TOWN ELEVEN
Littlestown high school's football team absorbed a 33-0 defeat at the hands of the powerful Scotland school outfit Saturday afternoon at Scotland.

The setback was the third in a row for Clay Evans' Thunderbolts who have lost to three unbeaten teams.

Jack Waite countered twice for the Cadets, plunging from the 7-yard stripe in the second period, and going 10 yards around end in the final period.

Carl Testa blocked a punt in the first period which Don Stankus recovered on the two. Stankus plunged over. Moments later, Bob Hale hit from the six-yard line after a Scotland drive of 42 yards. Scotland's score in the third period came on Jim Gilliland's nine-yard smash through center. Paul Maters converted three times with perfect kicks.

LAFAYETTE AND LEHIGH LOOK GOOD SATURDAY

(By The Associated Press)
The Leopards of Lafayette and the Engineers of Lehigh gave evidence of power in the first big week-end of Pennsylvania collegiate football.

Although losing 20 to 19 to Fordham, Lafayette looked good. Fordham was a prohibitive favorite. Some figured the Rams returning to bigtime grid activity after a period of deemphasizing, could write their own score. Only a third period conversion by Jim Erickson provided their margin of victory over the Leopards. Lehigh trounced a favored University of Delaware eleven, 21 to 0, with running stars Dick Doyle and Dick Garbriel leading the attack.

Duquesne of Pittsburgh gave the Villanova Wildcats some frightening moments in the first half. Tied at 14 by St. Vincent the previous week, the Dukes took a 21-19 intermission lead. The Wildcats attack was too much in the second half, however, and Villanova rallied to win, 39 to 28. Fullbacks Pete D'Alonzo and Bob Haner and end Joe Rilo each scored twice.

Other Results
California and Bloomsburg, twin titleholders in the teachers conference last season, opened with victories. California downed Edinboro, 14-7. Bloomsburg snowed under Mansfield, 39-6.

St. Vincent, unbeaten last year, hadn't too much trouble with Geneva, 17-0.

Bucknell upset Gettysburg, 20 to 15, with Bob Albert, 185-pound fullback, pacing the Lewisburgers. Bucknell scored three times in the first period, two on runs by Albert and one on a pass he threw. Gettysburg rallied with two touchdowns and a safety. But in the last period Albert intercepted a pass to halt the threat.

In other games involving Pennsylvania teams these were the results: West Chester 20, Pennsylvania Military 0; Franklin and Marshall 13, Lebanon Valley 7; Louisville 34, St. Francis 14; Kutztown 13, Indiana 13 (tie); West Liberty 26, Lock Haven 0; Moravian 46, Wagner 14; Susquehanna 27, Lycoming 0; Slippery Rock 19, Westminster 6; Shippensburg 18, Mt. St. Mary's 14; and Kings 18, Hartwick 14.

Emmitsburg and Middleburg will open a best-of-three game series next Sunday afternoon to determine the championship of the Penn-Maryland Baseball league.

Emmitsburg gained the finals by edging Harney 6-5 in a 10-inning game played Sunday afternoon at Harney.

Middleburg topped Wakefield 9-5 to clinch the other semi-final series.

6 AUTO CRASHES OVER WEEK-END; NO ONE INJURED

A tractor-trailer truck operated by Elmer C. Adkins, Baltimore, crashed into the side of a bridge on the Carlisle-Hanover road a quarter of a mile south of York Springs at 10:40 o'clock Sunday morning, state police of the Gettysburg sub-station said.

Adkins told state police that a passenger car was "hugging" the center of the road and forced him over, the cab and trailer hooking the bridge over a small creek. The underpart of the cab and trailer were torn away and the bridge wall damaged. No one was injured.

Police estimated damage to the tractor-trailer at \$4,750, and to the bridge at \$250.

\$2,000 Crash
An automobile driven by Thomas L. Cline, Jr., Biglerville, ran off the highway Saturday five miles north of Biglerville and sustained damage estimated at \$2,000. No one was injured, Cline claimed that he was forced off the road to avoid a collision with another automobile.

Three automobiles were damaged in a collision on the Emmitsburg road a mile and a half south of Gettysburg at the Peach Orchard Thursday, state police reported today. All three cars were traveling north.

An automobile driven by Fred Racanelli, 40, of Los Angeles, Cal., was proceeding at a slow rate of speed, police said. The automobile of Lindale Brandon, 20, of Gettysburg R. 2, overtook it and Brandon applied his brakes and slowed down behind the California car.

MORE THAN 100 HORSES SHOWN AT EMMITSBURG

More than 1,200 persons turned out Sunday, despite the chilly weather, for the horse show sponsored by the Emmitsburg Lions club. Officials said it was one of the largest and best horse shows held this year in Maryland. There were 175 entries from 75 stables. More than 100 horses were shown. One of the high points of the afternoon was the effective handling of the show by Preston Howard, Hagerstown, ring marshal.

The show went off without delay or mishap despite the softness of the turf and the early darkness, attributed to smoke from a Canadian forest fire. Two classes were run off with light furnished by many ringside automobiles. The announcer was Harvey E. Smith. The public address system was in charge of Ralph McDonnell, Emmitsburg, appliance dealer.

Henry A. Cooley, Towson, Md., president of the Maryland Horse Show association, was one of the judges. Mrs. Lucas, also of Towson and secretary of the association, totaled the points for champion and reserve champion in the jumper and hunter classes. Preemptor, entered in both these classes, was owned and ridden by Bill Allen, varsity center of the Mount St. Mary's football team.

For Charity Fund
The show was sponsored by the Emmitsburg Lions club, of which Bernard Eckenrode is president. Mr. Eckenrode expressed his appreciation to all club members and others who helped make the show a success. The entire profits will go to the Lions club's charity fund. Wives of club members served a buffet luncheon to many of the horsemen and owners at the fire house after the show.

Seventy-five cash prizes, trophies and ribbons were presented. The winners were as follows:

Local ponies, first, Mrs. Richard Coleman's Poney, Spot, of Gettysburg; second, Andrew Eyster's poney, Kandy Kid, of Emmitsburg; third, Eden Klieckinger's poney, Nancy, of Taneytown, Md.; fourth, Mrs. Coleman's poney, Beauty.

Novice jumper class, first, Lariat, owned by Tom Maher; second, On Time, owned by Rox Hill stables; third, Preemptor, owned by Bill Allen; fourth, Lazy Liz, owned by Josh Crooks.

Open jumper class, first, Lariat, owned by Rox Hill stables; second, Rusty, owned by Oren Brier station. (Continued on Page 2)

The 20 cents however were all in old coins, mostly one-cent pieces—one of which, dated 1858, sold for 73 cents, and a few two-cent and three-cent pieces. One silver three-cent piece—the kind of money Uncle Sam minted in the 1850s, brought \$3.50.

Mr. Black, who sold his farm near Mummansburg after 35 years as a farmer there, had approximately 1,000 present for his sale of household furnishings.

Nearly \$1,400 was realized from the sale. A corner cupboard sold for \$48; an old fashioned, big kitchen sink sold for \$34. Hams brought from 90 cents to \$1.15 a pound and shoulders sold from 65 to 80 cents a pound.

IS WOUNDED IN KOREAN ACTION

Pfc. Kenneth B. Klinedinst, 20-year-old son of Mr. and Mrs. Stewart E. Klinedinst, Abbottstown, was wounded September 10, at the Korean war front, according to word received by the parents Thursday afternoon from the adjutant general's office, Washington, D. C.

Pfc. Klinedinst graduated from the East Berlin high school in the class of 1948 and following his graduation assisted his father in the contracting business. He enlisted in the army at the Hanover recruiting station January 7, 1949, and had been in service 20 months. He received his basic training at Fort Lewis, Wash. He was transferred to Japan about August 12 and was then sent to Korea.

The last letter from him was received about two weeks ago by his parents. In it, he informed them of his transfer to Korea and told them he had met his brother, Pfc. George L. Klinedinst, 19. The letter from Kenneth stated that the two boys had met for the first time since joining the army, and that George was then in a rest camp after having been marooned for nine days in a pocket on the front lines without food, water, or supplies, until they were supplied by aerial drops of food and ammunition. Later the group was rescued by advancing troops, and then ordered to a rest camp in the rear of the front.

Dominican Priest Here

In announcing the special prayers, the Rev. Fr. Anthony Kane, pastor of the church noted: "With the shadow of war hovering over us, with hundreds of thousands of our young men being called to military service, we should use this opportunity to make reparation for the offenses of sinful mankind, and to ask Almighty God to spare us the horrors of another war. War is not inevitable; prayer can save us."

The services continued today and will last through Tuesday. Masses were said at 5:30, 7 and 8 o'clock this morning and will be said again at the same hours Tuesday. Confessions were heard throughout the day Sunday and will be held again from 4 to 5 o'clock and after evening services tonight. Leroy C. Hartman, Cashtown, was charged with making an improper pass and with not stopping at the red blinker light at Buford avenue and Chambersburg street. He will also receive a ten-day notice from Justice Bashore.

YOUNG GERMAN DOCTOR SPEAKS HERE SATURDAY

Dr. Ernest L. Wynder, 28-year-old native of Westphalia, Germany, who served in the U. S. armed forces for three years after spending three months at Camp Sharpe, intelligence training camp on the Gettysburg battlefield, and author of a much discussed recent paper on lung cancer, will address the auxiliary of the Adams County Medical Society next Saturday night at 9 o'clock.

Doctor Wynder was invited to speak here by Mrs. C. H. Johnson, who will be hostess to the medical society auxiliary at the home of her mother, Mrs. John D. Keith, Carlisle street. Members of the county medical society, Emmitsburg and Taneytown staff members of the Warner hospital and staff members at Mont Alto sanatorium have been invited to hear Doctor Wynder.

Served Overseas

The young physician received his undergraduate training at New York university where he was elected to Phi Beta Kappa. After graduation in 1943 he joined the armed forces and served in France and Germany. Upon his separation from the army he entered the Washington University School of Medicine, St. Louis, from which he graduated early this summer. At present he is intern in medicine at Georgetown university hospital in Washington, D. C.

While in medical school Dr. Wynder was actively engaged in cancer research and for two years carried out experimental cancer work in the laboratory of Dr. E. V. Cowry, one of the foremost oncologists (tumors) in the country. In his junior year the young medical student became interested in clinical cancer research and began the study of lung cancer.

Published by AMA

The results of this study, supported by a grant from the American Cancer Society, and carried out with Dr. Everts A. Graham, have been published in the Journal of the American Medical Association. Doctor Graham is remembered as an first surgeon to perform a pneumonectomy. He removed a cancerous lung from a Pittsburgh physician.

Dr. Wynder's studies reveal evidence that tobacco plays a significant role in the induction of lung cancer. For his part in this study he received the Borden prize, awarded to the undergraduate at Washington university, who has carried out the most meritorious research while in medical school.

During the summer Dr. Wynder attended the International Cancer Congress in Paris where he had been invited to present a paper on his lung cancer studies. He also spoke in London and Vienna. He is continuing his research studies at Georgetown university, his work directed at the identification and isolation of possible cancer-inducing substances in tobacco.

Doctor Wynder will be interviewed on WGBT next Saturday evening at 8:05 o'clock.

Smoke Clouds From Canadian Forest Fires Darken Pa. Skies

(By The Associated Press)
A heavy overcast covered Pennsylvania yesterday, plunging much of the state into an early darkness, coloring the skies yellow and purple and indirectly causing one death. Noah L. Richardson, 65, was killed by an auto as he tried to cross a street in Tyrone in the darkness of mid-afternoon.

Meteorologists looked for clearing skies today although they said considerable smoke was drifting at high level from vast forest fires in Canada.

The director of the Fels Planetarium in Philadelphia called the phenomenon "unique." Dr. L. M. Levitt explained that "any kind of particle in the sky—dust, smoke or ice—can cause a change in the coloration of the sun, as well as the sky itself." But, he added he "had never heard of nor seen" such a sun as was evident in the state yesterday.

Observers reported the color of the sky ranged from pale yellow to brilliant aquamarine to bright lavender. Here at sundown the west was dark but southern and eastern horizons were rimmed with bright yellow-orange while weird bronze clouds roiled overhead.

YWCA TURNS TO COUNTAINS FOR PART OF FUNDS

On October 1 the Gettysburg Young Women's Christian Association will launch a drive for \$1,000 from sections of Adams county beyond Gettysburg and its immediate rural surroundings.

The sum is being sought to help pay for renovations and improvements at the YWCA building that cost a total of \$4,000. The campaign will be handled by the Finance committee of the "Y."

The Gettysburg Community Chest has included \$2,000 for the YWCA in its budget for its annual drive late in October and the YWCA organization itself had contributed \$1,000 toward the cost of the improvements. The other \$1,000 is being asked of residents of other county communities and rural sections.

To Announce Captains

"The YWCA of Gettysburg serves many people from wide sections of our county," a "Y" spokesman said. "Therefore last spring when plans were made for renovating the building, the Community Chest suggested that the county folk be asked to help finance the project."

Captains for the drive will be announced later this week.

The members of the Finance committee that will direct the fundraising effort include: Miss Rosa Armor, Mrs. William T. Timmins, Jr., Mrs. Frank H. Kramer, Mrs. Abe Harris, Mrs. L. Musselman, Mrs. George D. Ditchburn and Mrs. Lloyd C. Keefeauver.

Improvements at the "Y" building in Lincoln Square included the re-arrangement and enlarging of rooms for meetings of the many organizations that regularly use the YWCA building. A game room was constructed on the second floor of the building and the interior of the building was re-decorated.

Begin Rescue Of 16 Airmen

Halifax, N. S., Sept. 25 (AP)—Parachutists have been dropped to begin rescue operations for 16 United States airmen whose B-50 bomber crashed Thursday in Labrador wilderness, the Fort Pepperell Air Base reported today.

The stricken bomber was discovered last night after being missing for three days, and a U. S. force team immediately took steps to evacuate the men by helicopter. The helicopter will move the men to a nearby lake, where a Canadian amphibian plane will pick them up. The Royal Canadian Air Force said an RCAF Lancaster spotted the plane some 95 miles southwest of Goose Bay.

The U. S. Air Force unit at Goose Bay began immediate preparations to evacuate the 12 crewmen and four passengers, missing on a routine flight from Goose Bay to Tucson, Arizona. All are military personnel.

A helicopter is expected to make the tricky flight today to pick up the survivors and transfer them to the shore of a nearby lake. An amphibian plane will fly them to Goose Bay.

UN Forces Stab Deep Inside Seoul Against Desperate Red Resistance; Cut Gap To 40 Mi.

By LEIF ERICKSON
Tokyo, Sept. 25 (AP)—Allied forces stabbed deep inside Seoul tonight against desperate Red Korean resistance.

U.S. Marines planted the American flag on a hilltop in the capital less than two miles from a major Allied goal—the modern Duk Soo palace.

To the southeast, U.S. First Cavalry Armored patrols drove into Chongju, only 40 miles from the nearest point of the Korean second front spreading out from the Incheon-Seoul beachhead.

Seventh Divisions patrols striking south from Seoul punched through Osan, 30 miles south of the capital. Osan was the city where American troops first entered the war early in July.

70 Miles In Four Days

The First Cavalry task force had driven 70 miles in four days. A link-up of the two forces threatens to seal tens of thousands of Red troops in the south.

The fight for Seoul was pushed against Communist troops fighting from mud-butt to mud-butt. Other Reds held high points and poured deadly fire into Allied forces.

One of these was South mountain, a commanding 700-foot hill in southern Seoul. Seventh Division troops crossed the Han river Monday under cover of dawn mists and thrust against the hill position.

The Stars and Stripes waved over the highest point in Seoul's southwest Tong Mak Sang district. It was put there Sunday night, by marines of Col. Lewis (Chesley) Fuller's First Marine regiment.

Seek 3,000 Prisoners

Tenth Corps officers expressed hope the flag would show within a few hours over Duk Soo in the heart of Seoul. Marines, doughboys and South Koreans drove on the city's center from the southeast, southwest, west and north.

Fuller's regiment stormed across the bridgeless Han Sunday morning near Yongsungpo. It bid deep into the Tong Mak Sang district and threw mortar and artillery fire at Red defenders on South mountain and the big Seoul army barracks nearby.

Marines searched a jail in the southwest district, seeking 3,000 American prisoners reported in Seoul. But a South Korean underground operator said the Reds had removed them several days ago.

South Korean marines drove across ridges on the western side of the city.

U. S. Fifth Regiment Marines who made the first Han crossing last Wednesday were pushing deeper into the city on the north.

All four penetrating forces were aiming at the granite Duk Soo palace where Americans and Russians twice in the past haggle in vain over proposals to unify Korea.

Fresh Troops Land

Fresh Allied troops swarmed into the second front beachhead, adding power to the fight for Seoul and against Reds coming up in disorder from the old southeast beachhead.

An American airborne unit of 2,400 men landed at Kimpo airfield northwest of Seoul Sunday after a quick ship trip from the United States to Japan. It was not identified. A hundred and fifty transport planes ferried the airborne infantry—complete with battle kit—from Japan to Kimpo.

In Hospital With Dozen Stab Wounds

M. Kohler, Fayetteville.

Hunter's condition was reported as favorable at the hospital today, following the Sunday morning stabbing. The argument over the money took place, police said, at the Rock Top orchard of Hess and Gillan, in the Scotland section, where Hunter and Young are employed as fruit pickers. Both are Negroes.

Hunter is alleged to have knocked Young down and to have struck him with a bottle, after which Young inflicted the stab wounds with a penknife. Police said Young had admitted the stabbing.

Warriors Top Delone 12-0 On Two Fourth Period Scores

For the first time since 1942 and the second time in their 10-game series, the Gettysburg high school football team owns a football victory over Delone Catholic high of McSherrystown.

That was accomplished here Saturday night when the Warriors scored a pair of touchdowns in the final quarter to gain a hard-earned 12-0 victory before approximately 3,000 fans.

A trio of small but clever ball carriers, Wayne Tonsel, Dick and Bobby Miller, turned in fine exhibitions in ball toting to thrill the crowd and were given fine assistance throughout the evening by other Warrior participants.

Saturday's contest was a thriller the whole way despite the lack of scoring until the final period. The old rivals played hard games and are to be commended for their clean play, the only penalties inflicted during the evening being on off-side infractions.

Late in the third quarter Gettysburg took possession of the ball on its own 33 by halting the Squires and from there launched a drive which ultimately led to the first score.

GHS Attack Clicks
Tonsel went through center for five yards and then raced 35 yards around left end for a first down on the Delone 30. Bob Miller circled right end for eight yards and then Dick Miller cracked through center and streaked 22 yards before being caught on the 1 as the quarter ended.

On the first play Delone recovered a Warrior fumble on the one-foot mark. Delone elected to run the ball out and Ed Steinberger, a fine performer all evening for Delone, picked up five yards. Another running play was attempted but the ball was fumbled and Clyde Cleveland, Warrior guard, pounced on the leather on the 6-yard mark. Singley was halted on a line buck and Bob Miller lost two yards at right end. Bill Singley then fired a pass over the line to Dick Harrel, another fine performer, who was downed on the 1. Singley pushed over on a quarterback sneak. "Soapy" Davis' placement for the point was low.

Score Follows Interception
The Warriors' second tally was set up in the closing minutes of the quarter when Dick Harrel intercepted a pass by Muma on the Delone 27. On the next play Bob Miller cracked through center, shook loose from several would-be tacklers and cut to his left and raced the remaining distance, Davis' kick for the point was wide.

Although there was no score in the first three periods there was plenty of action for the fans, Bill Heyser returned Delone's kickoff to the 35 and then the Warriors moved into Squire territory only to lose the ball on the 37 via a fumble. Timmins and Sheaffer picked up a first down on the 47. T. Conrad, attempting to pass, was rushed by the Warrior forward wall and fumbled with Clyde Cleveland falling on the pigskin on the 36. Bob Miller cracked through center to put the ball on the 19 but the threat evaporated when Breighner fell on another Gettysburg fumble on the 23.

Squires Threaten
Delone made a bid for a score early in the second period when Muma whipped a pass to Steinberger which was good for 25 yards and a first down on the Gettysburg 39. The Warriors were equal to the occasion and took over on the 35. Sheaffer, Delone back, suffered an injury to his right ankle which kept him side-lined the remainder of the half although he entered the contest for single plays several times during the last two rounds.

Coach Yanoschik's Squires received the second half kickoff and reeled off two first downs before yielding the ball on the Gettysburg 35. Midway in the third period a pass was batted by a Warrior defender into the arms of Steinberger which put the ball on the Gettysburg 38 but again the Squires lacked the punch to move forward and the Warriors took over on the 33 from where they marched downfield to set the stage for their first tally in the fourth period.

Once again all of the regulars deserve credit in sharing the victory. In addition to Tonsel and the Miller boys, other fine backfield performances were turned in by Singley, Williams, Hoffman and Eberhart. Up front the Cleveland brothers, Harrel, Heyser, Sanders, Staley and Davis, with their understudies, Small Skinner, Carter and Eldand turning in highly satisfactory exhibitions.

Steinberger was particularly outstanding for the visitors while Breighner was a brilliant performer on the defense.

Delone outgained Gettysburg 10 first downs to seven. The Squires fired 15 passes, completing five while three were intercepted. Gettysburg made good on one of four aerials, one being intercepted.

Today the Warriors start drills for their initial South Penn conference game with Carlisle here Friday night. Carlisle, unbeaten in two stats, is picked by many to win the 1950 loop title.

Penn-Adams Baseball League

Bendersville knotted its series at one-game apiece as it defeated Wenksville 6 to 5 in the second of the three-game semi-final series in the Penn-Adams league played Sunday afternoon at Bendersville.

Trailing 5 to 4 as they came to bat in the bottom of the final inning, Bendersville quickly filled the bases with no one out. Then Giffie pounded out a clean single to score the tying and winning runs. By common consent the game was shortened to seven innings because of the cold weather.

Chuck, who hurled the last inning after the starting pitcher, Frederick Kuntz, was hit on the right hand with a hit ball, was the winning pitcher. Naylor, who was relieved in the final inning by Baltzley, was the losing hurler. Catching for the winners was M. Kuntz and for the losers, Allison.

Bendersville was chosen as the scene of the final contest after Manager Ed Singley had won the toss of a coin. The game will be played Sunday afternoon at 2 o'clock. Winner of this final game will enter the championship playoff series with Fairfield for the Penn-Adams crown.

The Bendersville club will meet at the diamond Saturday afternoon at 3 o'clock to get the field in readiness and hold a short practice.

DETROIT, SOX CHANCES FADE OVER WEEK-END

(Associated Press Sports Writer)
The 1950 American league pennant race is just about over but it will be remembered as long as baseball is played as the year that catcher Aaron Robinson pulled one of the most colossal "Boners" in history.

Robinson's blunder gave the Cleveland Indians a 2-1 ten-inning victory over Detroit yesterday and practically erased the Tigers' pennant hopes.

The defeat dropped the second place Tigers 2 1/2 games behind the New York Yankees, who virtually knocked third place Boston out of contention by trouncing the Red Sox, 9-5.

Strange Game
Robinson's "Rock" came in one of the strangest games ever played. At game time in Cleveland it was so dark because of dust and smoke that the lights were turned on.

The astounding play occurred as follows:
Bob Lemon tripled to start the Cleveland tenth. Tiger Manager Red Rolfe ordered Ted Gray intentionally to walk the next two batters to set up a force play at every base.

Larry Doby then popped to first baseman Don Kolloway. Luke Easter followed with a grounder to Kolloway. Kolloway stepped on first to retire Easter and pegged to Robinson.

Failed To Tag Runner
Robinson grabbed the throw and stomped on the plate while Lemon was starting his slide about eight to ten feet away.

Umpire Bill Summers thumbed Lemon out, but the pitcher slid across the plate. Robinson, apparently thinking he still had a force play, made no attempt to tag Lemon. The Cleveland bench dashed at Summers and brought first base Umpire Charley Berry along. When it was pointed out to Summers that Lemon had to be tagged in order to be declared out, Summers reversed his decision and called Lemon safe.

Lemon was the whole works. He stopped the Tigers on five hits to gain his 22nd victory and scored both runs. Lemon socked his sixth homer in the fourth to drive in the first run of the game.

Easy Sailing For Yanks
The Yanks had fairly easy sailing against the Red Sox before 66,924 fans at Yankee stadium. They piled up a 6-1 lead in four innings for Vic Raschi who went all the way to post his 21st victory.

Two home runs by Ted Williams and another by Bobby Doerr accounted for half of the Red Sox hits.

In remaining American league games the Washington Senators tripped the Philadelphia Athletics, 3-1, and the St. Louis Browns dumped the Chicago White Sox twice, 5-0 and 6-1.

The Philadelphia Phillies lost ground in the National league race as they suffered a humiliating 11-0 defeat at the hands of the second place Brooklyn Dodgers. The Dodgers now trail by five games.

Erv Palica, young right-hander, tamed the Phils on two hits and featured a game winning six run rally in the fifth inning with the Phils helpless until the eighth when Andy Seminick singled. Del Ennis doubled in the ninth for the Phils' final hit.

Three-run homers by Hank Thompson and Don Mueller paced the New York Giants to a 12-4 victory over the Boston Braves. Jim Hearn was the winner and 19 game winner Vern Bickford the loser.

In other National league games the Chicago Cubs trounced the St. Louis Cardinals, 8-3, and the Cincinnati Reds and Pittsburgh Pirates divided a doubleheader. The Reds won the opener, 7-1, behind Ewell Blackwell and the Pirates the nightcap, 3-2.

**Adams County
Baseball League**
The Hanover Moose won the opener of the best-of-three series for the playoff championship of the Adams County Baseball league by blanking New Oxford 3-0 on the latter's field Saturday afternoon.

Next Saturday the second game of the series will be played at Hanover. New Oxford won the regular season title and eliminated Fairfield in the semi-finals. The Hanover team eliminated the Conewago VFW in the other semi-final series.

**South Penn
Baseball League**
The teams were listed to play the second of the best-of-three semi-final series in the South Penn playoffs. Green Springs won the opener. The teams will play here next Sunday. Hunterstown gained the finals in the other series by twice ripping Greenmount, regular season.

Cold weather on Sunday resulted in the postponement of the Gettysburg-Green Springs game here.

Bisons Score 3 TDs In First Period To Top Bullets 20-15

Three quick touchdowns and two extra point conversions in the first quarter gave Bucknell university a 20-15 victory over an underdog Gettysburg college eleven Saturday night at Lewisburg before 9,000 fans.

But in victory, the Bisons were on the ropes nearly the entire final period as the Breamites gained experience in the first half and came roaring back to come close to victory.

When the second half began few people in the stands would have given the Bullets a chance. Here the Gettysburg defense stiffened and the attack, marred in the first half by fumbles and pass interceptions, gained strength.

Bucknell Opens Fast
The game was only one minute and five seconds old when fullback Bob Albert of Bucknell took a hand-off from Maebly, hit the center of the Gettysburg line, and outdistanced the secondary to run 55 yards for the first touchdown of the game. Mason added the extra point.

Less than three minutes later, it was this same Albert on the same type of play who broke through the Gettysburg line and dashed 20 yards for the second touchdown. Mason's extra point attempt was wide.

Bob McCoy returned Mason's kickoff to the Gettysburg 28, and the Bullets began a drive of their own. Jack Jones and Don Young drove out a first down on the Bullets 43. Jones, Ron Fitzkee and a pass—Bob Blitner to Don Emert—carried to the Bucknell 44. Jones and Young alternated in carrying the ball to the 52. After a five-yard penalty for offside, Gettysburg made another first down on the Bison 16 when Jones and Young each carried for 10 yards. The attack stalled when three passes went incomplete and Fitzkee picked up one yard on a pitchout.

Bucknell didn't waste much time in getting its next score as Van Johnson and Hetsko alternated to bring the ball out to the Bucknell 37. On the next play, Maebly tossed the ball back to Albert who threw a long pass to Hetsko for a touchdown. Mason again added the extra point.

Bream-Men Score
After Mason kicked off to Day who returned to the Gettysburg 40 to start the second half, the Bullets drove to the Bison 3 where a quarterback sneak and an incomplete pass ended the threat. Albert hit the line for no gain for Bucknell and when Hetsko was tackled by McCoy and Al Henschberger in the end zone, Gettysburg scored two points.

Mason again kicked off and Day returned to the Bullets 46. On the next play Blitner tossed a 20 yard pass to Ron Fitzkee who outraced the secondary for a touchdown. Fitzkee's attempted placement was wide.

With the score 20-3, Bucknell drove down to the Bullets 14 where the Breamites held and took over. After a Blitner-Jones pass gained a first down, the attack was stymied and Jones punted to Maebly who was tackled on the Bucknell 45.

Myers picked up eight yards on two tries and Albert tossed a pass to Gallagher on the Bullets 29. The pass was incomplete but the officials awarded the ball to Bucknell on the 29 on pass interference. The decision brought a howl of protest from the Gettysburg bench and a Bronx cheer from the many Gettysburg fans who followed the team.

The threat was ended temporarily seconds later when Bud Pettit intercepted a Maebly aerial. Albert intercepted Blitner's pass on the next down on the Gettysburg 28. Bucknell drove to the Bullets 32 in four plays but Myers fumbled and Tom Faulkner recovered for the visitors.

Early in the fourth quarter Bucknell threatened again but was turned back on the Bullets 23. The Bullets were penalized five yards, but Blitner passed to Fitzkee for a first down on the Gettysburg 47. Another Blitner-Fitzkee pass carried to the Bison 43. Jones on a pitchout, Emert on an end around and Fitzkee combined to carry to the 27.

TD On Pass
A Blitner-Emert pass to the 12 was awarded the Bullets on pass interference. Unable to gain in three downs on two incompletes passes and a line buck, Gettysburg scored when Blitner passed to Young down the middle. Fitzkee's placement attempt was good.

Gettysburg held the Bisons and took over on its own 43 where Maebly's punt went out of bounds. After a Blitner pass went incomplete, Albert intercepted on the Bucknell 31 to end the threat.

After a weak first quarter when suffering from a case of nerves, the Gettysburg team settled down and played Bucknell on even terms. In the final quarter, there were many people in the stands who believed that the Bullets were going to stage an encore of the 34-33 victory they won a year ago.

The entire Bullet squad played a fine game but special mention must go to Richard Thomas, end, and Phil Dolson, center, who played very well on the defense. The running backs all looked good. Dwight Speaker, 142-pound seatback, was used in the second quarter for several plays and was then withdrawn by Coach Henry T. Bream. Speaker suffered an injury last week.

CADETS DEFEAT L-TOWN ELEVEN

Littlestown high school's football team absorbed a 33-0 defeat at the hands of the powerful Scotland school outfit Saturday afternoon at Scotland.

The setback was the third in a row for Clay Evans' Thunderbolts who have lost to three unbeaten teams.

Jack Waite countered twice for the Cadets, plunging from the 7-yard stripe in the second period, and going 10 yards around end in the final period.

Carl Testa blocked a punt in the first period which Don Stankus recovered on the two. Stankus plunged over. Moments later, Bob Hale hit from the six-yard line after a Scotland drive of 42 yards.

Scotland's score in the third period came on Jim Gilliland's nine-yard smash through center. Paul Mates covered three times with perfect kicks.

LAFAYETTE AND LEHIGH LOOK GOOD SATURDAY

(By The Associated Press)
The Leopards of Lafayette and the Engineers of Lehigh gave evidence of power in the first big week-end of Pennsylvania collegiate football.

Although losing 20 to 19 to Fordham, Lafayette looked good. Fordham was a prohibitive favorite. Some figured the Rams, returning to bigtime grid activity after a period of demoralization, could write their own score. Only a third period conversion by Jim Erickson provided their margin of victory over the Leopards. Lehigh trounced a favored University of Delaware eleven, 21 to 0, with running stars Dick Doyle and Dick Garbriel leading the attack.

Duquesne of Pittsburgh gave the Villanova Wildcats some frightening moments in the first half. Tied at 14 by St. Vincent the previous week, the Dukes took a 21-19 intermission lead. The Wildcats attack was too much in the second half, however, and Villanova rallied to win, 39 to 28. Fullbacks Pete D'Alonzo and Bob Haner and end Joe Rilo each scored twice.

Other Results
California and Bloomsburg, twin titleholders in the teachers conference last season, opened with victories. California downed Edinboro, 14-7. Bloomsburg snowed under Mansfield, 39-6.

St. Vincent, unbeaten last year, hadn't too much trouble with Geneva, 17-0.
Bucknell upset Gettysburg, 20 to 15, with Bob Albert, 185-pound fullback, pacing the Lewisburgers. Bucknell scored three times in the first period, two on runs by Albert and one on a pass he threw. Gettysburg rallied with two touchdowns and a safety. But in the last period Albert intercepted a pass to halt the threat.

In other games involving Pennsylvania teams these were the results: West Chester 20, Pennsylvania Military 0; Franklin and Marshall 13, Lebanon Valley 7; Louisville 34, St. Francis 14; Kutztown 13, Indiana 13 (tie); West Liberty 26, Lock Haven 0; Moravian 48, Wagner 14; Susquehanna 27, Locomotiv 0; Slippery Rock 19, Westminster 6; Shippensburg 18, Mt. St. Mary's 14, and Kings 18, Hartwick 14.

Warriors Top Delone 12-0 On Two Fourth Period Scores

For the first time since 1942 and the second time in their 10-game series, the Gettysburg high school football team owns a football victory over Delone Catholic high of McSherrystown.

That was accomplished here Saturday night when the Warriors scored a pair of touchdowns in the final quarter to gain a hard-earned 12-0 victory before approximately 3,000 fans.

A trio of small but clever ball carriers, Wayne Tonsel, Dick and Bobby Miller, turned in fine exhibitions in ball totting to thrill the crowd and were given fine assistance throughout the evening by other Warrior participants.

Saturday's contest was a thriller the whole way despite the lack of scoring until the final period. The old rivals played hard games and are to be commended for their clean play, the only penalties inflicted during the evening being on off-side infractions.

Late in the third quarter Gettysburg took possession of the ball on its own 33 by halting the Squires and from there launched a drive which ultimately led to the first score.

GHS Attack Closes
Tonsel went through center for five yards and then raced 35 yards around left end for a first down on the Delone 30. Bob Miller circled right end for eight yards and then Dick Miller cracked through center and streaked 22 yards before being caught on the 1 as the quarter ended.

On the first play Delone recovered a Warrior fumble on the one-foot mark. Delone elected to run the ball out and Ed Steinberger, a fine performer all evening for Delone, picked up five yards. Another running play was attempted but the ball was fumbled and Clyde Cleveland, Warrior guard, pounced on the leather on the 6-yard mark. Singley was halted on a line buck and Bob Miller lost two yards at right end. Bill Singley then fired a pass over the line to Dick Harriel, another fine performer, who was downed on the 1. Singley pushed over on a quarterback sneak. "Soapy" Davis' placement for the point was low.

Score Follows Interception
The Warriors' second tally was set up in the closing minutes of the quarter when Dick Harriel intercepted a pass by Mumma on the Delone 27. On the next play Bob Miller cracked through center, shook loose from several would-be tacklers and cut to his left and raced the remaining distance. Davis' kick for the point was wide.

Although there was no score in the first three periods there was plenty of action for the fans. Bill Heyser returned Delone's kickoff to the 35 and then the Warriors moved into Squire territory only to lose the ball on the 37 via a fumble. Timmins and Sheaffer picked up a first down on the 47. T. Conrad, attempting to pass, was rushed by the Warrior forward wall and fumbled with Clyde Cleveland falling on the piskin on the 36. Bob Miller cracked through center to put the ball on the 19 but the threat evaporated when Breighner fell on another Gettysburg fumble on the 23.

Squires Threaten
Delone made a bid for a score early in the second period when Mumma whipped a pass to Steinberger which was good for 25 yards and a first down on the Gettysburg 39. The Warriors were equal to the occasion and took over on the 35. Sheaffer, Delone back, suffered an injury to his right ankle which kept him side-lined the remainder of the half although he entered the contest for single plays several times during the last two rounds.

Coach Yanoschik's Squires received the second half kickoff and reeled off two first downs before yielding the ball on the Gettysburg 35. Midway in the third period a pass was batted by a Warrior defender into the arms of Steinberger which put the ball on the Gettysburg 38 but again the Squires lacked the punch to move forward and the Warriors took over on the 33 from where they marched downfield to set the stage for their first tally in the fourth period.

Once again all of the regulars deserve credit in sharing the victory. In addition to Tonsel and the Miller boys, other fine backfield performances were turned in by Singley, Williams, Hoffman and Eberhart. Up front the Cleveland brothers, Harriel, Heyser, Sanders, Staley and Davis, with their understudies, Small Skinner, Carter and Eldland turning in highly satisfactory exhibitions.

Steinberger was particularly outstanding for the visitors while Breighner was a brilliant performer on the defense.

Delone outgained Gettysburg 10 first downs to seven. The Squires fired 15 passes, completing five while three were intercepted. Gettysburg made good on one of four aials, one being intercepted.

Today the Warriors start drills for their initial South Penn conference game with Carlisle here Friday night. Carlisle, unbeaten in two starts, is picked by many to win the 1950 loop title.

Penn-Adams Baseball League

Bendersville knotted its series at one-game apiece as it defeated Wexville 6 to 5 in the second of the three-game semi-final series in the Penn-Adams league played Sunday afternoon at Bendersville.

Trailing 5 to 4 as they came to bat in the bottom of the final inning, Bendersville quickly filled the bases with no one out. Then Griffie pounded out a clean single to score the tying and winning runs. By common consent the game was shortened to seven innings because of the cold weather.

Cluck, who hurled the last inning, ended the starting pitcher, Frederick Kuntz, was hit on the right hand with a hit ball, was the winning pitcher. Naylor, who was relieved in the final inning by Baltzley, was the losing hurler. Catching for the winners was M. Kuntz and for the losers, Allison.

Bendersville was chosen as the scene of the final contest after Manager Ed Singley had won the toss of a coin. The game will be played Sunday afternoon at 2 o'clock. Winner of this final game will enter the championship playoff series with Fairfield for the Penn-Adams crown.

The Bendersville club will meet at the diamond Saturday afternoon at 3 o'clock to get the field in readiness and hold a short practice.

DETROIT, SOX CHANCES FADE OVER WEEK-END

(Associated Press Sports Writer)

The 1950 American league pennant race is just about over but it will be remembered as long as baseball is played as the year that catcher Aaron Robinson pulled one of the most colossal "Boners" in history.

Robinson's blunder gave the Cleveland Indians a 2-1 ten-inning victory over Detroit yesterday and practically erased the Tigers' pennant hopes.

The defeat dropped the second place Tigers 2½ games behind the New York Yankees, who virtually knocked third place Boston out of contention by trouncing the Red Sox, 9-5.

Strange Game
Robinson's "Rock" came in one of the strangest games ever played. At game time in Cleveland it was so dark because of dust and smoke that the lights were turned on.

The astounding play occurred as follows:

Bob Lemon tripled to start the Cleveland tenth. Tiger Manager Red Rolfe ordered Ted Gray intentionally to walk the next two batters to set up a force play at every base.

Larry Doby then popped to first baseman Don Kolloway. Luke Easter followed with a grounder to Kolloway. Kolloway stepped on first to retire Easter and pegged to Robinson.

Failed To Tag Runner
Robinson grabbed the throw and stomped on the plate while Lemon was starting his slide about eight to ten feet away.

Umpire Bill Summers thumbed Lemon out, but the pitcher slid across the plate. Robinson, apparently thinking he still had a force play, made no attempt to tag Lemon. The Cleveland bench dashed at Summers and brought first base Umpire Charley Berry along. When it was pointed out to Summers that Lemon had to be tagged in order to be declared out, Summers reversed his decision and called Lemon safe.

Lemon was the whole works. He stopped the Tigers on five hits to gain his 22nd victory and scored both runs. Lemon socked his sixth homer in the fourth to drive in the first run of the game.

Easy Sailing For Yanks
The Yanks had fairly easy sailing against the Red Sox before 66,924 fans at Yankee stadium. They piled up a 6-1 lead in four innings for Vic Raschi who went all the way to post his 21st victory.

Two home runs by Ted Williams and another by Bobby Doerr accounted for half of the Red Sox hits.

In remaining American league games the Washington Senators tripped the Philadelphia Athletics, 3-1, and the St. Louis Browns dumped the Chicago White Sox twice, 5-0 and 6-1.

The Philadelphia Phillies lost ground in the National league race as they suffered a humiliating 11-0 defeat at the hands of the second place Brooklyn Dodgers. The Dodgers now trail by five games.

Erv Palica, young righthander, tamed the Phils on two hits and featured a game winning six run rally in the fifth inning with a grand slam homer. Palica held the Phils hitless until the eighth when Andy Seminick singled. Del Ennis doubled in the ninth for the Phils' final hit.

Three-run homers by Hank Thompson and Don Mueller paced the New York Giants to a 12-4 victory over the Boston Braves. Jim Hearn was the winner and 19 game winner Vern Bickford the loser.

In other National league games the Chicago Cubs trounced the St. Louis Cardinals, 8-3, and the Cincinnati Reds and Pittsburgh Pirates divided a doubleheader. The Reds won the opener, 7-1, behind Ewell Blackwell and the Pirates the nightcap, 3-2.

Adams County Baseball League

The Hanover Moose won the opener of the best-of-three series for the playoff championship of the Adams County Baseball league by blanking New Oxford 3-0 on the latter's field Saturday afternoon.

Next Saturday the second game of the series will be played at Hanover. New Oxford won the regular season title and eliminated Fairfield in the semi-finals. The Hanover team eliminated the Conowingo VFW in the other semi-final series.

South Penn Baseball League

The teams were listed to play the second of the best-of-three semi-final series in th South Penn playoffs. Green Springs won the opener. The teams will play here next Sunday. Hunterstown gained the finals in the other series by twice nipping Greenmount, regular season.

Cold weather on Sunday resulted in the postponement of the Gettysburg-Green Springs game here.

Bisons Score 3 TDs In First Period To Top Bullets 20-15

Three quick touchdowns and two extra point conversions in the first quarter gave Bucknell university a 20-15 victory over an underdog Gettysburg college eleven Saturday night at Lewisburg before 9,000 fans.

But in victory, the Bisons were on the ropes nearly the entire final period as the Breamites gained experience in the first half and came roaring back to come close to victory.

When the second half began few people in the stands would have given the Bullets a chance. Here the Gettysburg defense stiffened and the attack, marred in the first half by fumbles and pass interceptions, gained strength.

Bucknell Opens Fast
The game was only one minute and five seconds old when fullback Bob Albert of Bucknell took a hand-off from Maebly, hit the center of the Gettysburg line, and outdistanced the secondary to run 55 yards for the first touchdown of the game. Mason added the extra point.

Less than three minutes later, it was this same Albert on the same type of play who broke through the Gettysburg line and dashed 20 yards for the second touchdown. Mason's extra point attempt was wide.

Bob McCoy returned Mason's kickoff to the Gettysburg 28, and the Bullets began a drive of their own. Jack Jones and Don Young drove out a first down on the Bullet 43. Jones, Ron Fitzkee and a pass—Bob Bitner to Don Emert—carried to the Bucknell 44. Jones and Young alternated in carrying the ball to the 32. After a five-yard penalty for offside, Gettysburg made another first down on the Bison 16 when Jones and Young each carried for 19 yards. The attack stalled when three passes went incomplete and Fitzkee picked up one yard on a pitchout.

Bucknell didn't waste much time in getting its next score as Van Johnson and Hetsko alternated to bring the ball out to the Bucknell 37. On the next play, Maebly tossed the ball back to Albert who threw a long pass to Hetsko for a touchdown. Mason again added the extra point.

The second quarter saw Gettysburg on the defensive most of the time, and holding Bucknell on the Bullet 9 and again on the 21.

Bream-Men Score
After Mason kicked off to Day who returned to the Gettysburg 46 to start the second half, the Bullets drove to the Bison 3 where a quarterback sneak and an incomplete pass ended the threat. Albert hit the line for no gain for Bucknell and when Hetsko was tackled by McCoy and Al Herschberger in the end zone, Gettysburg scored two points.

Mason again kicked off and Day returned to the Bullet 46. On the next play Bitner tossed a 20 yard pass to Ron Fitzkee who outraced the secondary for a touchdown. Fitzkee's attempted placement was wide.

With the score 20-3, Bucknell drove down to the Bullet 14 where the Breamites held and took over. After a Bitner-Jones pass gained a first down, the attack was stymied and Jones punted to Maebly who was tackled on the Bucknell 45. Myers picked up eight yards on two tries and Albert tossed a pass to Gallagher on the Bullet 29. The pass was incomplete but the officials awarded the ball to Bucknell on the 29 on pass interference. The decision brought a howl of protest from the Gettysburg bench and a Bronx cheer from the many Gettysburg fans who followed the team.

The threat was ended temporarily seconds later when Bud Pettit intercepted a Maebly aerial. Albert intercepted Bitner's pass on the next down on the Gettysburg 28. Bucknell drove to the Bullet 32 in four plays but Myers fumbled and Tom Faulkner recovered for the visitors.

Early in the fourth quarter Bucknell threatened again but was turned back on the Bullet 23. The Bullets were penalized five yards, but Bitner passed to Fitzkee for a first down on the Gettysburg 47. Another Bitner-Fitzkee pass carried to the Bison 43. Jones on a pitchout, Emert on an end around and Fitzkee combined to carry to the 27.

TD On Pass
A Bitner-Emert pass to the 12 was awarded the Bullets on pass interference. Unable to gain in three downs on two incomplete passes and a line buck, Gettysburg scored when Bitner passed to Young down the middle. Fitzkee's placement attempt was good.

Gettysburg held the Bisons and took over on its own 43 where Maebly punt went out of bounds. After a Bitner pass went incomplete, Albert intercepted on the Bucknell 31 to end the threat.

After a weak first quarter when suffering from a case of nerves, the Gettysburg team settled down and played Bucknell on even terms. In the final quarter, there were many people in the stands who believed that the Bullets were going to stage an encore of the 34-33 victory they won a year ago.

The entire Bullet squad played a fine game but special mention must go to Richard Thomas, end, and Phil Dolson, center, who played very well on the defense. The running backs all looked good. Dwight Speaker, 142-pound setback, was used in the second quarter for several plays and was then withdrawn by Coach Henry T. Bream. Speaker suffered an injury last week.

LAFAYETTE AND LEHIGH LOOK GOOD SATURDAY

(By The Associated Press)

The Leopards of Lafayette and the Engineers of Lehigh gave evidence of power in the first big week-end of Pennsylvania collegiate football.

Although losing 20 to 19 to Fordham, Lafayette looked good. Fordham was a prohibitive favorite. Some figured the Rams, returning to bigtime grid activity after a period of deemphasizing, could write their own score. Only a third period conversion by Jim Erickson provided their margin of victory over the Leopards. Lehigh trounced a favored University of Delaware eleven, 21 to 0, with running stars Dick Davis and Dick Gabriel leading the attack.

Duquesne of Pittsburgh gave the Villanova Wildcats some frightening moments in the first half. Tied at 14 by St. Vincent the previous week, the Ducks took a 21-19 intermission lead. The Wildcats attack was too much in the second half, however, and Villanova rallied to win, 39 to 28. Fullbacks Pete DeJorio and Bob Haner and Del'Anillo each scored twice.

Other Results
California and Bloomsburg, twin titleholders in the teachers conference last season, opened with victories. California downed Edinboro, 14-7. Bloomsburg snowed under Mansfield, 39-6.

St. Vincent, unbeaten last year, hadn't too much trouble with Geneva, 17-0.

Bucknell upset Gettysburg, 20 to 15, with Bob Albert, 185-pound fullback, pacing the Lewisburgers. Bucknell scored three times in the first period, two on runs by Albert and one on a pass he threw. Gettysburg rallied with two touchdowns and a safety. But in the last period Albert intercepted a pass to halt the threat.

ONE HUNDRED YEARS AGO

Annual Commencement Of Pennsylvania College: On Thursday the exercises attendant upon the Commencement of the College came off. We have rarely, if ever, seen a larger number of strangers in attendance upon such occasions, and every thing passed off in the best manner. The number of graduates was eighteen, of whom fifteen delivered addresses. (Included in the exercises):

Latin Salutatory—By Henry Reck, of Adams Co., Pa.

Greek Oration—By Milton Valentine, of Taneytown, Md.

California—By Robert G. Harper, Jr., of Gettysburg, Pa.

The Power of the Pen—By Chas. John Ehrhart, of Adams Co., Pa.

Conferring of Degrees—By the president.

During the intervals of the exercises, the "Gettys Lodge Band" discoursed that beautiful music for which they are deservedly celebrated. They have earned a character both at home and abroad, which is enviable in this particular.

The class has been the largest ever graduated at Pennsylvania College.

Among those receiving the degree of A.M. (graduates of three years standing)—Edward G. Fahnestock, P. Sheeder, Wm. H. Witherow.

Pennsylvania College: At a meeting of the Trustees of Pennsylvania college, on Thursday, the Rev. Henry L. Baugher, D.D., Professor of Greek was unanimously elected President of Pennsylvania College in the room of Rev. Dr. Krauth, resigned. He will enter upon the duties at the opening of next session.

The trustees appointed Prof. Stoeber, Professor of Latin in room of Prof. Reynolds, resigned; and Prof. Muhlenburg, of Franklin college, Professor of Greek, in room of Dr. Baugher.

SEVENTY-FIVE YEARS AGO
Edward S. Reiley, Esq., of this place, has accepted a position in the Law Faculty of the University of Georgetown, and will enter upon his new duties about the first of October.

A large excursion party from Bachman Valley and neighboring points, numbering 500 or 600, visited the battlefield on Saturday. They brought with them a brass band, and the day being pleasant, apparently enjoyed themselves.

The "Cantata" by Miss Eva Danner's music class in Agricultural Hall was quite a creditable performance. The proceeds netted about \$50 clear of expenses for the benefit of the Reformed Sunday School.

Married—Hockey-Rever.—On the 21st inst., by Rev. Dr. Kieffer, Mr. Franklin Hockey to Miss Susan Rever, both of Adams county.

Kraut-Richter—On the 12th inst., by Rev. O. G. Deininger, Mr. Jacob Kraut, of New Salem, to Miss Lizzie Richter, of this county.

Leisenring-Atkinson—On Thursday evening, in St. James Lutheran church, this place, by Rev. Dr. Hay E. H. Leisenring, pastor of the Lutheran church at Catawissa, Pa., to Miss Ida E. Atkinson, daughter of Mr. Wm. F. Atkinson, of this place.

Keefeauver-Nunemaker—On the 21st inst., by Wm. B. Meals, Esq., Mr. John Keefeauver, of Cumberland township, to Miss Eliza Nunemaker of Mountpleasant township.

The War Department has recently issued a general Order covering all the National cemeteries and including that of this place. No picnic parties and no vending of refreshments will be allowed in any cemetery nor can refreshment be taken into them. Visitors will not be admitted before sunrise or after sunset. Driving must be confined to a walk. Superintendents of Cemeteries are required to enforce these rules.

The following gentlemen have been appointed Marshals for the County Fair now in progress: J. S. Witherow, Chief; Assistants, J. H.

Today's Talk

By GEORGE MATTHEW ADAMS

DO RIGHT—BE ALERT!
Driving home from my summer vacation, I passed a sign on the road that keeps coming back to me, time and again. Seeing it early, it kept running through my mind all the way while on the road. It was this: Do Right—Be Alert.

I couldn't help but think of this sign later when, making a sharp, blind curve, another car to my left was traveling at such excessive speed that as its driver approached he narrowly escaped hitting my car. He took that curve so fast that his car skidded far over the white line, missing me by inches. By going at such speed on a curve that driver was not alert to the fact that another car also had a right to the road.

The driver of a car who does the right thing, considering the rights of other drivers, and who never fails to observe the rules of the road, has nothing to fear. Such a driver may always do the right thing, but he must also be alert to the danger that may be created by another who does the wrong thing. Do Right. Be alert! A very wonderful bit of advice for every driver of a car.

That motto, also is a fine one for us all to apply in our daily life, apart from the road. By doing the right thing we stay out of trouble. By being alert, we save ourselves from any blunder and mistake. Also we can often discover a new idea, or learn something new by being alert and watchful. Many of our most valuable inventions owe their discovery to the alert mind of some one.

Whenever we do a wrong thing we are apt to involve an innocent person. We not only have to pay the penalty but force someone else to do so—and nearly always without his or her knowledge. By being alert we avoid doing the wrong thing. It's the unthinking who do the most wrong things. Do right and you don't have to write! You won't have to explain. Your acts are the record. Do right and you will feel right within yourself. Be alert and you will avoid many a pitfall. As individuals we are a government unto ourselves. We create our own democracy of the mind.

Tomorrow Mr. Adams will talk on the subject: "Love's Foundation."

MEETING POSTPONED
We had postponed, as is common to do,

A meeting we'd planned.
No need that was urgent or hasty we knew
For the business at hand.

Not one of us thought at the moment of what
By none can be known.
We talked of the future, but this we forgot:
Time is never our own.

At parting we laughed at a jest that he told,
Went away merry-eyed;
But that meeting postponed now we never shall hold.
For that evening he died.

Fire—On Saturday afternoon about 3 o'clock, the stabling in the rear of the Washington House, Mr. Houser, proprietor, was found to be on fire. An alarm was immediately given, but before anything effective could be done, the fire had made such headway that the destruction of the stabling was inevitable. . . . The large hay shed of Mr. Alexander Spangler, immediately opposite on the railroad took fire and portions of the roof were burnt, but the building was saved. . . . Mr. Houser's loss may reach \$400 or \$500. The impression is that the stabling was fired either intentionally or by the careless use of cigars about the stable. The town was full of excursionists at the time.

On Monday morning, about 4 o'clock, there was another alarm of fire, occasioned by the discovery of fire in the second story of the residence occupied by Mr. Robert A. Myers, on Carlisle street. During Sunday there had been fire on an open hearth. Before Mr. Myers retired, his attention was attracted by some smoke issuing from the floor at the edge of the hearth. Water was poured into the cracks. The family was aroused by smoke in the sleeping room and it was found that the fire had burnt through the floor. The damage was not considerable.

Wednesday morning the County Trot at the Agricultural Fair, premium \$50, was won by the horse of Mr. Thomas Flaherty, of this place, time 3:07.

BIG ISSUES LEFT FOR CONGRESS AFTER RECESS

Washington, Sept. 25 (AP)—Taxes on swollen business profits, statehood for Hawaii and Alaska and possibly rent control look like the big issues when Congress returns to Washington two months from now.

Even those problems may be too big to handle in a quick session between November 27 and the Christmas holidays.

They were the major left-overs when weary lawmakers knocked off work late Saturday with a slap at President Truman—a thumping rejection of his veto of a stiff anti-Communist bill.

The bill was put on the lawbooks when the Senate voted 57 to 10 to override the veto. That was 12 votes more than the two-thirds majority needed. The House had overturned the veto within an hour after Mr. Truman sent it to Capitol Hill Friday afternoon. The vote there was 286 to 48.

May Take Years
Because of the complex machinery provided and the announced defiance by the Communist party, it appeared likely that months or even years would elapse before anyone could be punished under the law.

It calls for registration with the government by Communist groups and fronts and provides for internment of Reds in time of war, invasion or insurrection.

Another major enactment of the adjourned Congress will have almost immediate effect. Starting next Sunday, income tax withholdings will jump one-fifth for most of the nation's 50,000,000 income taxpayers.

The tax boost, estimated to produce about \$4,700,000,000 yearly, was approved by Mr. Truman about the time Congress was winding up its chores. He acted swiftly, just a day after Congress sent him the bill.

Some Will Be "Lame Ducks"
Even before that, the tax-writing House Ways and Means committee decided to start public hearings November 15 on a second tax increase which Congress has pledged to include an excess profits tax on corporations. Estimates are that it will produce from \$4,000,000,000 to \$6,000,000,000 a year.

The committee said it will try to limit the hearings to five days and have a bill ready for prompt action when Congress reconvenes November 27.

Rep. Spence (D-Ky.) told newsmen, too, that he hopes to have a new rent control bill ready for action during the short session. The present law expires generally on January 1, although local communities can extend controls for another six months by taking positive action to do so.

House and Senate set November 27 to get back to the legislative grind. Some members are bound to return as defeated "lame-ducks," as all 435 House seats and 36 of the 96 in the Senate are at stake in the November election. The new 82nd Congress will open January 3.

List Of Accomplishments
For legislators now climbing onto political stumps to get their campaigns going full tilt, the 81st Congress provided plenty of talking points.

On the list of accomplishments, besides the tax increase, were items like:
A big expansion of the Social Security program to increase benefits and make perhaps 10,000,000 more people eligible for them.

Removal of federal taxes on oleomargarine.

Raising from \$5,000 to \$10,000 the federal insurance on bank deposits.

Boosting the national minimum wage from 40 to 75 cents an hour.

A \$1,500,000,000 slum clearance and low-cost housing program.

But many a Truman proposal went to the scrap pile and stayed there.

Soldier Killed In Leap From Train

Dickinson, N. D., Sept. 25 (AP)—Pvt. Philip R. Hummel, 30, of Phillipsburg, Pa., died in Dickinson hospital 24 hours after leaping from a moving Northern Pacific passenger train. Doctors said his left side was mangled.

B. J. Fuerstenburg, brakeman, told police the soldier dived from the train Saturday when he attempted to question Hummel about a smashed window. The brakeman said the soldier struck him in the face and then went through the top part of the vestibule door.

Crewmen of another train found Hummel and took him to the hospital.

Frequent Watering Need Of Window Box In Summer

Most frequent cause for failure with outdoor window boxes is lack of water. They are usually set so close to the wall they do not get the benefit of rains while at the same time they are dried out by heat radiated by the walls. Soil in the box is limited in quantity and may require soaking twice a day during the hot weather.

To get the greatest pleasure out of a window box, plant it yourself and take care of the plants. You can even make the box, if you know how to saw and drive nails. Use 1-inch boards of cypress or white pine and paint the box to harmonize with the house trim. A box should be at least 8 inches deep, 10 inches wide and long enough to fit the window.

Outdoor boxes should have drainage, so that excess water can escape. Never buy a self-watering box for outdoors, for every rain would flood the plants and eventually kill them. The plants to use will depend on the amount of sunshine they receive.

On the south side of a house, with sunshine unimpeded by trees or buildings, the balcony petunias will thrive. These develop long stems which trail from the box, bearing flowers of white, blue, red, pink and crimson. The balcony petunias were bred in Europe for window box use, and are among the finest of all petunias.

Trailing lobellias have the same habit of growth, with small flowers of sapphire blue. Nasturtium Golden Gleam is an excellent window-box plant, and there are red, pink and orange nasturtiums which have a vine-like habit. Dwarf zinnias, marigolds, phlox, and the lovely heavenly blue morning glory can be grown. Petunias and lobellias should be purchased as plants at this season, but the others can be grown from seed.

For boxes on the east and west sides of the houses enjoying a few hours sun, impatiens, clarkia, begonias, fuchsia, lantana, pansies,

Working Diagram of Attractive Window Box.

gonias, fuchsia, lantana, pansies, dwarf celosia, and torenia will do. Geraniums will bloom well with as much as six hours sun a day. For vines, use vinca and the various ivies.

Boxes on the north side of the house should be filled with foliage plants. Fancy leaved caladiums are excellent for the purpose. These grow from a huge bulb which can be saved from year to year. Their elephant's ear leaves are attractively colored. Ferns, coleus, sedum spectabile, and dwarf evergreens are other possibilities.

Because of the small quantity of soil which a window box holds, it should be the best obtainable and well enriched. Forists' potting soil or its equivalent should be used, and with it a complete plant food should be mixed at a rate of one heaping tablespoonful for each gallon of soil. A similar quantity should be added every month during the growing season.

Faded flowers should be cut off regularly to encourage new growth, and stems cut back for the same purpose. If insects attack the plants they can usually be controlled by dusting with rotenone.

BRIEF NOTES ON PEONY CULTURE

September 15 is generally considered the best time of the year to plant peonies or to divide and re-plant old clumps.

Among eight common causes of peony failures, too deep planting is usually listed first. The others follow in probable order of their importance:

1. Hard or heavy soils lacking organic matter.
2. Shallow loams, often accompanied by poor drainage.
3. Shade.
4. Competition from roots of nearby trees.
5. Starvation.
6. Improper division of roots.
7. Insects and diseases.

Like most other ornamental and food plants which form tubers, bulbs, corms or fleshy roots, peonies should have a deeply mellow loam containing plenty of humus to hold moisture in dry weather and serve as a medium of good drainage during wet periods.

Peonies begin to send out small feeder rootlets in the early fall. This explains why early September planting is stressed. Too, it clarifies the advice against attempts to plant roots in the spring.

Many inexperienced growers entertain the idea that peonies are somehow strangely benefited by division and replanting every two or three years. This is not true. Peony clumps should be left undisturbed as long as the plants are vigorous and produce satisfactory blooms. Division and replanting are unnecessary, in fact unwise, until crowding roots or tiring soil fertility render the work needful. This may be in three years after the original planting or it may be in twenty-five years.

Well weathered cattle manure gathered from a summer pasture and finely pulverized, along with rich loam from an idle fence row or other fertile area, makes an excellent addition to enlighten and enrich soils for peonies. This should be spaded into and worked through the rooting stratum to a depth of 16 to 20 inches or more.

Some bone meal should be worked

no deeper than 2 inches after the soil has settled. Frequently deep covering leads to weak growth and puny blooms.

One of the important "don'ts" for beginners with peonies is don't use fresh stable manure.

Always leave a generous portion of root and a healthy crown bud on each division when dividing old clumps. Division and replanting should be done at the same time advised for planting new roots—mid-September.

As long as peony tops remain green after blooms fade the roots are storing strength for their next season's growth. Therefore, peony tops should not be cut off until they begin to die back naturally.

Every grower or prospective grower of this old favorite should write the editor at once, enclosing a self addressed stamped envelope, for a free copy of our peony planting and care instructions. Of course, all related questions are invited.

Appointments Pose Ticklish Problem

Washington, Sept. 25 (AP)—President faced today the ticklish political problem of naming a five-man board to fill a key role in enforcement of the new Communist control act he roundly denounced.

Congressional enactment of the law over Mr. Truman's veto brought a prompt pledge to enforce it "vigorously" from Attorney General McGrath, who like the President had opposed it.

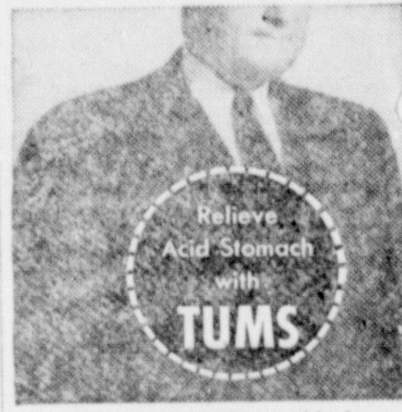

But McGrath's Justice Department can take no action under one of the bill's major provisions—that calling for registration of Communist organizations and their fronts—until establishment of a Subversive Activities Control Board (SACB).

That board of five men—not more than three of whom can be from the same political party—must decide after hearings whether an organization is required to register under the law. It will act upon complaints by the Justice Department.

pany was built in Jamestown, Va., in 1807.

Warriors Top Delone 12-0 On Two Fourth Period Scores

For the first time since 1942 and the second time in their 10-game series, the Gettysburg high school football team owns a football victory over Delone Catholic high of McSherrystown.

That was accomplished here Saturday night when the Warriors scored a pair of touchdowns in the final quarter to gain a hard-earned 12-0 victory before approximately 3,000 fans.

A trio of small but clever ball carriers, Wayne Tonsel, Dick and Bobby Miller, turned in fine exhibitions in ball totting to thrill the crowd and were given fine assistance throughout the evening by other Warrior participants.

Saturday's contest was a thriller the whole way despite the lack of scoring until the final period. The old rivals played hard games and are to be commended for their clean play, the only penalties inflicted during the evening being on off-side infractions.

Late in the third quarter Gettysburg took possession of the ball on its own 33 by halting the Squires and from there launched a drive which ultimately led to the first score.

GHS Attack Clicks

Tonsel went through center for five yards and then raced 35 yards around left end for a first down on the Delone 30. Bob Miller circled right end for eight yards and then Dick Miller cracked through center and streaked 22 yards before being caught on the 1 as the quarter ended.

On the first play Delone recovered a Warrior fumble on the one-foot mark. Delone elected to run the ball out and Ed Steinberger, a fine performer all evening for Delone, picked up five yards. Another running play was attempted but the ball was fumbled and Clyde Cleveland, Warrior guard, pounced on the leather on the 6-yard mark. Singley was halted on a line buck and Bob Miller lost two yards at right end. Bill Singley then fired a pass over the line to Dick Harrell, another fine performer, who was downed on the 1. Singley pushed over on a quarterback sneak. "Soapy" Davis' placement for the point was low.

Score Follows Interception

The Warriors' second tally was set up in the closing minutes of the quarter when Dick Harrell intercepted a pass by Mummia on the Delone 27. On the next play Bob Miller cracked through center, shook loose from several would-be tacklers and cut to his left and raced the remaining distance, Davis' kick for the point was wide.

Although there was no score in the first three periods there was plenty of action for the fans. Bill Heyser returned Delone's kickoff to the 35 and then the Warriors moved into Squire territory only to lose the ball on the 37 via a fumble. Timmins and Sheaffer picked up a first down on the 47. T. Conrad, attempting to pass, was rushed by the Warrior forward wall and fumbled with Clyde Cleveland falling on the pigskin on the 36. Bob Miller cracked through center to put the ball on the 19 but the threat evaporated when Breighner fell on another Gettysburg fumble on the 23.

Squires Threaten

Delone made a bid for a score early in the second period when Mummia whipped a pass to Steinberger which was good for 25 yards and a first down on the Gettysburg 39. The Warriors were equal to the occasion and took over on the 35. Sheaffer, Delone back, suffered an injury to his right ankle which kept him side-lined the remainder of the half although he entered the contest for single plays several times during the last two rounds.

Coach Yanoschik's Squires received the second half kickoff and reeled off two first downs before yielding the ball on the Gettysburg 35. Midway in the third period a pass was batted by a Warrior defender into the arms of Steinberger which put the ball on the Gettysburg 35 but again the Squires lacked the punch to move forward and the Warriors took over on the 33 from where they marched downfield to set the stage for their first tally in the fourth period.

Once again all of the regulars deserve credit in sharing the victory. In addition to Tonsel and the Miller boys, other fine backfield performances were turned in by Singley, Williams, Hoffman and Eberhart. Up front the Cleveland brothers, Harrell, Heyser, Sanders, Stacy and Davis, with their understandings, Small Skinner, Carter and Elland turning in highly satisfactory exhibitions.

Steinberger was particularly outstanding for the visitors while Breighner was a brilliant performer on the defense.

Delone outgained Gettysburg 10 first downs to seven. The Squires fired 15 passes, completing five while three were intercepted. Gettysburg made good on one of four aerials, one being intercepted.

Today the Warriors start drills for their initial South Penn conference game with Carlisle here Friday night. Carlisle, unbeaten in two states, is picked by many to win the 1930 title.

The lineups:

Gettysburg
Ends—Harrell, Heyser, Skinner.
Tackles—H. Cleveland, (co-c), Stacy, Carter.
Guards—C. Cleveland, Sanders, Alland.
Centers—Davis, Small.
Backs—Tonsel, Williams, Robert Miller, Richard Miller, Singley,

Penn-Adams Baseball League

Bendersville knotted its series at one-game apiece as it defeated Wexville 6 to 5 in the second of the three-game semi-final series in the Penn-Adams league played Sunday afternoon at Bendersville.

Trailing 5 to 4 as they came to bat in the bottom of the final inning, Bendersville quickly filled the bases with no one out. Then Griffith pounded out a clean single to score the tying and winning runs. By common consent the game was shortened to seven innings because of the cold weather.

Cluck, who hurled the last inning after the starting pitcher, Frederick Kuntz, was hit on the right hand with a hit ball, was the winning pitcher. Naylor, who was relieved in the final inning by Baltzley, was the losing hurler. Catching for the winners was M. Kuntz and for the losers, Allison.

Bendersville was chosen as the scene of the final contest after Manager Ed Singley had won the toss of a coin. The game will be played Sunday afternoon at 2 o'clock. Winner of this final game will enter the championship playoff series with Fairfield for the Penn-Adams crown.

The Bendersville club will meet at the diamond Saturday afternoon at 3 o'clock to get the field in readiness and hold a short practice.

DETROIT, SOX CHANCES FADE OVER WEEK-END

By RALPH RODEN
(Associated Press Sports Writer)

The 1930 American league pennant race is just about over but it will be remembered as long as baseball is played as the year that catcher Aaron Robinson pulled one of the most colossal "Boners" in history.

Robinson's blunder gave the Cleveland Indians a 2-1 ten-inning victory over Detroit yesterday and practically erased the Tigers' pennant hopes.

The defeat dropped the second place Tigers 2 1/2 games behind the New York Yankees, who virtually knocked third place Boston out of contention by trouncing the Red Sox, 9-5.

Strange Game

Robinson's "Rock" came in one of the strangest games ever played. At game time in Cleveland it was so dark because of dust and smoke that the lights were turned on.

The astounding play occurred as follows:

Bob Lemon tripled to start the Cleveland tenth. Tiger Manager Red Rolfe ordered Ted Gray intentionally to walk the next two batters to set up a force play at every base. Larry Doby then popped to first baseman Don Kolloway. Luke Easter followed with a grounder to Kolloway. Kolloway stepped on first to retire Easter and pegged to Robinson.

Failed To Tag Runner

Robinson grabbed the throw and stomped on the plate while Lemon was starting his slide about eight to ten feet away.

Umpire Bill Summers thumbed Lemon out, but the pitcher slid across the plate. Robinson, apparently thinking he still had a force play, made no attempt to tag Lemon. The Cleveland bench dashed at Summers and brought first base umpire Charley Berry along. When it was pointed out to Summers that Lemon had to be tagged in order to be declared out, Summers reversed his decision and called Lemon safe.

Lemon was the whole works. He stopped the Tigers on five hits to gain his 22nd victory and scored both runs. Lemon socked his sixth homer in the fourth to drive in the first run of the game.

Easy Sailing For Yanks

The Yanks had fairly easy sailing against the Red Sox before 66,924 fans at Yankee stadium. They piled up a 6-1 lead in four innings for Vic Raschi who went all the way to post his 21st victory.

Two home runs by Ted Williams and another by Bobby Doerr accounted for half of the Red Sox hits.

In remaining American league games the Washington Senators tripped the Philadelphia Athletics, 3-1, and the St. Louis Browns dumped the Chicago White Sox twice, 5-0 and 6-1.

The Philadelphia Phillies lost ground in the National league race as they suffered a humiliating 11-0 defeat at the hands of the second place Brooklyn Dodgers. The Dodgers now trail by five games.

Erv Palica, young right-hander, tamed the Phils on two hits and featured a game winning six run rally in the fifth inning with a grand slam homer. Palica held the Phils hitless until the eighth when Andy Seminick singled. Del Ennis doubled in the ninth for the Phils' final hit.

Three-run homers by Hank Thompson and Don Mueller paced the New York Giants to a 12-4 victory over the Boston Braves. Jim Hearn was the winner and 19 game winner Vern Bickford the loser.

In other National league games the Chicago Cubs trounced the St. Louis Cardinals, 8-3, and the Cincinnati Reds and Pittsburgh Pirates divided a doubleheader. The Reds won the opener, 7-1, behind Ewell Blackwell and the Pirates the nightcap, 3-2.

Adams County Baseball League

The Hanover Moose won the opener of the best-of-three series for the playoff championship of the Adams County Baseball league by blanking New Oxford 3-0 on the latter's field Saturday afternoon.

Next Saturday the second game of the series will be played at Hanover. New Oxford won the regular season title and eliminated Fairfield in the semi-finals. The Hanover team eliminated the Conewago VFW in the other semi-final series.

South Penn Baseball League

The teams were listed to play the second of the best-of-three semi-final series in the South Penn playoffs. Green Springs won the opener. The teams will play here next Sunday. Hunterstown gained the final in the other series by twice nipping Greentown, regular season.

Cold weather on Sunday resulted in the postponement of the Gettysburg-Green Springs game here.

Bisons Score 3 TDs In First Period To Top Bullets 20-15

Three quick touchdowns and two extra point conversions in the first quarter gave Bucknell university a 20-15 victory over an underdog Gettysburg college eleven Saturday night at Lewisburg before 9,000 fans.

But in victory, the Bisons were on the ropes nearly the entire final period as the Breamites gained experience in the first half and came roaring back to come close to victory. When the second half began few people in the stands would have given the Bullets a chance. Here the Gettysburg defense stiffened and the attack, marred in the first half by fumbles and pass interceptions, gained strength.

Bucknell Opens Fast

The game was only one minute and five seconds old when fullback Bob Albert of Bucknell took a hand-off from Maebly, hit the center of the Gettysburg line, and outdistanced the secondary to run 55 yards for the first touchdown of the game. Mason added the extra point. Less than three minutes later, it was this same Albert on the same type of play who broke through the Gettysburg line and dashed 20 yards for the second touchdown. Mason's extra point attempt was wide.

Bob McCoy returned Mason's kickoff to the Gettysburg 28, and the Bullets began a drive of their own. Jack Jones and Don Young drove out a first down on the Bullet 43. Jones, Ron Fitzkee and a pass—Bob Bitner to Don Emert—carried to the Bucknell 44. Jones and Young alternated in carrying the ball to the 32. After a five-yard penalty for offside, Gettysburg made another first down on the Bison 16 when Jones and Young each carried for 10 yards. The attack stalled when three passes went incomplete and Fitzkee picked up one yard on a pitchout.

Bucknell didn't waste much time in getting its next score as Van Johnson and Hetsko alternated to bring the ball out to the Bucknell 37. On the next play, Maebly tossed the ball back to Albert who threw a long pass to Hetsko for a touchdown. Mason again added the extra point.

The second quarter saw Gettysburg on the defensive most of the time, and holding Bucknell on the Bullet 9 and again on the 21.

Bream-Men Score

After Mason kicked off to Day who returned to the Gettysburg 40 to start the second half, the Bullets drove to the Bison 3 where a quarterback sneak and an incomplete pass ended the threat. Albert hit the line for no gain for Bucknell and when Hetsko was tackled by McCoy and Al Herschberger in the end zone, Gettysburg scored two points.

Mason again kicked off and Day returned to the Bullet 46. On the next play Bitner tossed a 20 yard pass to Ron Fitzkee who outraced the secondary for a touchdown. Fitzkee's attempted placement was wide.

With the score 20-8, Bucknell drove down to the Bullet 14 where the Breamites held and took over. After a Bitner-Jones pass gained a first down, the attack was stymied and Jones punted to Maebly who was tackled on the Bucknell 45. Myers picked up eight yards on two tries and Albert tossed a pass to Gallagher on the Bullet 29. The pass was incomplete but the officials awarded the ball to Bucknell on the 29 on pass interference. The decision brought a howl of protest from the Gettysburg bench and a Bronx cheer from the many Gettysburg fans who followed the team.

The threat was ended temporarily seconds later when Bud Pettit intercepted a Maebly aerial. Albert intercepted Bitner's pass on the next down on the Gettysburg 28. Bucknell drove to the Bullet 32 in four plays but Myers fumbled and Tom Faulkner recovered for the visitors.

Early in the fourth quarter Bucknell threatened again but was turned back on the Bullet 23. The Bullets were penalized five yards, but Bitner passed to Fitzkee for a first down on the Gettysburg 47. Another Bitner-Fitzkee pass carried to the Bison 43. Jones on a pitchout, Emert on an end around and Fitzkee combined to carry to the 27.

TD On Pass

A Bitner-Emert pass to the 12 was awarded the Bullets on pass interference. Unable to gain in three downs on two incomplete passes and a line buck, Gettysburg scored when Bitner passed to Young down the middle. Fitzkee's placement attempt was good.

Gettysburg held the Bisons and took over on its own 43 where Maebly's punt went out of bounds. After a Bitner pass went incomplete, Albert intercepted on the Bucknell 31 to end the threat.

After a weak first quarter when suffering from a case of nerves, the Gettysburg team settled down and played Bucknell on even terms. In the final quarter, there were many people in the stands who believed that the Bullets were going to stage an encore of the 34-33 victory they won a year ago.

The entire Bullet squad played a fine game but special mention must go to Richard Thomas, end, and Phil Dolson, center, who played very well on the defense. The running backs all looked good. Dwight Speaker, 142-pound seatback, was used in the second quarter for several plays and was then withdrawn by Coach Henry T. Bream. Speaker suffered an injury last week.

LAFAYETTE AND LEHIGH LOOK GOOD SATURDAY

(By The Associated Press)

The Leopards of Lafayette and the Engineers of Lehigh gave evidence of power in the first big week-end of Pennsylvania collegiate football. Although losing 20 to 19 to Fordham, Lafayette looked good. Fordham was a prohibitive favorite. Some figured the Rams, returning to bigtime grid activity after a period of deemphasizing, could write their own score. Only a third period conversion by Jim Erickson provided their margin of victory over the Leopards. Lehigh trounced a favored University of Delaware eleven, 21 to 0, with running stars Dick Downe and Dick Garbriel leading the attack.

Duquesne of Pittsburgh gave the Villanova Wildcats some frightening moments in the first half. Tied at 14 by St. Vincent the previous week, the Dukes took a 21-19 intermission lead. The Wildcats attack was too much in the second half, however, and Villanova rallied to win, 39 to 28. Fullbacks Pete D'Alonzo and Bob Haner and end Joe Rizzo each scored twice.

Other Results

California and Bloomsburg, twin titleholders in the teachers conference last season, opened with victories. California downed Edinboro, 14-7. Bloomsburg snowed under Mansfield, 39-6.

St. Vincent, unbeaten last year, hadn't too much trouble with Geneva, 17-0.

Bucknell upset Gettysburg, 20 to 15, with Bob Albert, 188-pound fullback, pacing the Lewisburgers. Bucknell scored three times in the first period, two on runs by Albert and one on a pass he threw. Gettysburg rallied with two touchdowns and a safety. But in the last period Albert intercepted a pass to halt the threat.

In other games involving Pennsylvania teams these were the results: West Chester 20, Pennsylvania Military 0; Franklin and Marshall 13, Lebanon Valley 7; Louisville 34, St. Francis 14; Kutztown 13, Indiana 13 (tie); West Liberty 26, Lock Haven 0; Moravian 46, Wagner 14; Susquehanna 27, Lycoming 0; Slippery Rock 19, Westminster 6; Shippensburg 18, Mt. St. Mary's 14, and Kings 18, Hartwick 14.

Penn-Maryland Baseball League

Emmitsburg and Middleburg will open a best-of-three game series next Sunday afternoon to determine the championship of the Penn-Maryland Baseball league.

Emmitsburg gained the finals by edging Haney 6-5 in a 10-inning game played Sunday afternoon at Haney.

Middleburg topped Wakefield 9-5 to clinch the other semi-final series.

New York—Branch Rickey agreed to sell his one-fourth interest in the Brooklyn Dodgers to William Zeckendorf, president of Webb and Knapp, a New York real estate firm.

Racing

New York—One hitter (\$20.40) led home Noor and Ponder in the Manhattan handicap and Atlanta (\$1.050) won the Matron stakes at Belmont park.

San Mateo, Calif.—Sun State (\$29) won the Alameda handicap at Bay Meadows.

SHOTTON WILL STICK TO RICKEY

Philadelphia, Sept. 25 (AP)—Burt Shotton says he isn't going to retire from baseball yet which strengthens the rumor that Branch Rickey will become general manager of the Pittsburgh Pirates after he sells his Brooklyn Dodger stock.

That may sound a little confusing. What have Shotton's future plans to do with Rickey going to the Pirates? That's easy to answer. The two have been the Damon and Pythias of baseball. Where Rickey goes Shotton is sure to follow. Thus, if Shotton is remaining in baseball, it's dollars to doughnuts, he's going to work for brother Rickey.

The 66-year-old Shotton may have just been in a good mood after his Dodgers' smacked down the league-leading Phillies yesterday but he said in no uncertain tone, "I'll be in baseball next year. I don't know where, but I'll have a baseball job."

Well, it's almost a cinch that the gray-haired manager of the Dodgers isn't going to remain in Brooklyn after Rickey leaves. The Brooklyn board of directors is almost certain to clean house and Burt, if he doesn't resign first, is expected to be swept out.

That's where the two and two makes four thinking comes in. If Shotton is through in Brooklyn and

Sports Roundup

By HUGH FULLERTON, JR.

New York, Sept. 25 (AP)—This car is stringing along with Joe Louis to whip Ezzard Charles Wednesday night for the simple reason that they've been picturing Ezzard as a fighter who thinks. . . And you can hardly find a more thoughtful explanation than the one Ezzard gave for taking the fight: "I got to thinking that there was no sense in having an 150 when it was costing me money." . . . There's some question about how much Louis has slipped and whether looking good in training is the same as being good in the ring. . . But there's no doubt that Ezzard knows what his former idol has done in the past and that a guy with brains and imagination is just the one to remember those things at the crucial moment. . . Without implying that Ezzard is likely to scare easily, we have the idea that his thinking may lead him to be unduly cautious. . . Ray Arcel, who has he's going to remain in baseball, where will he go? The answer: with Rickey to Pittsburgh of course. Burt came out of retirement four seasons ago only to help out "my good friend, Branch Rickey."

"I'll stay in baseball as long as Branch needs me," he has said many times.

COMBES HIS HAIR

Harry Combes, Illinois basketball coach, was perating one of his players, big Rod Fletcher, about his defensive rebounding. . . "You gotta get off your feet and control the ball after free throws," Combes explained excitedly. "When the ball comes off the ring, I want you to go up like this." . . . Harry neglected to look up before his demonstration and he smacked his noggin against a steam pipe running across the ceiling. . . The impact sent Harry to his knees but didn't disturb his mental equilibrium. . . "See what I mean," he said, rubbing his head, "rebound if it kills you."

EAGLES ROMP OVER CARDS

New York, Sept. 25 (AP)—Greasy Neale can rest easy; there's plenty of pep left in his Philadelphia Eagles. They proved it yesterday—even without their ace backs, Steve Van Buren and Bosh Pritchard—with a 45 to 7 romp over the highly regarded Chicago Cardinals, of the National football league.

Van Buren, pro football's greatest ground gainer, returned to action but was sidelined in the opening quarter with a torn rib cartilage. Pritchard still is out with an injured knee, originally hurt last year and aggravated in all-star game this year.

Those mighty midwestern maulers—the Chicago Bears—made it two straight, lashing the San Francisco 49ers, 32 to 10. The Chicagoans, trailing by two points at halftime, rallied behind Johnny Lujack and scored two touchdowns in the third quarter to sew up the victory. George Blanda kicked three field goals for the Bears.

Green Bay's Packers came up with the afternoon's big upset—A 35 to 21 decision over the Washington Red-

skins. The packers' pass defense which at times resembles a sieve, rallied to the cause and stopped Sammy Baugh ice cold in the second half with only two completions. Doak Walker, Golden Boy of the Detroit Lions, capped a brilliant performance with a 20-yard field goal in the last three minutes to give the Detroiters a 10 to 7 triumph over Pittsburgh's Steelers.

Cleveland, as expected, had little trouble with the Baltimore Colts. The Browns displayed their all-around power for 17 points in the first quarter, then breezed to a 31 to 0 victory.

BOY'S BODY FOUND

Harrisburg, Sept. 25 (AP)—The body of a 10-year-old boy, missing a week, was found yesterday in the Susquehanna river almost opposite Pennsylvania's executive mansion. Dr. Winfield Yarnell, deputy coroner, identified the boy as William Henry Stump, of Harrisburg. The lad disappeared last Sunday while walking along the river with his young sisters.

He resigned as executive vice president of Lit's and as chairman of the Philadelphia highway traffic board last year because of failing health. Last March, however, he accepted an appointment to the Philadelphia board of education.

U.N. SECURITY FORCE SEEN AS BOON TO PEACE

By DEWITT MACKENZIE
(AP Foreign Affairs Analyst)

America's proposal for a U.N. security force will, if implemented, prove the greatest boon to the peace organization since its inception.

Thus far the United Nations has been impotent to carry out the mission for which it was created: maintenance of peace. It has been equipped only with moral suasion, and has lacked the physical power to compel aggressors to obey its injunctions.

It's a sad commentary on our times, but law can't be maintained in our hard-fisted world without a police.

The United States proposal was submitted to the U.N. General Assembly by Secretary of State Acheson. It calls on all members to furnish contingents for an international army to crush aggression anywhere and everywhere.

Roving Peace Patrol

But that isn't all. Acheson further proposed the creation of a roving peace patrol to keep a lookout for trouble the globe around, and he advocated that the U.N. be prepared to take quick action.

If such an international force—both preventive and punitive—had been available, the Korean war might have been averted altogether.

A highly important aspect of the American proposal is that the entire General Assembly be empowered to take charge of such an issue if the Security Council is unable to do so because of obstruction. This is a move to circumvent the constant Soviet use of the all powerful veto power in the Council to stymie proposals which Moscow has opposed. The veto doesn't apply to the General Assembly.

Acheson's program immediately claimed global attention. The reaction among objective observers is well summed up in an editorial by the widely-known British newspaper, the Manchester Guardian, which says of the proposals:

Biggest Issue Yet

"They will make a working program which will at least provide a sincerity test for the United Nations members. There is nothing in them to which Russia can fundamentally object, if her aims are as unaggressive as she pretends, x x x But the non-Communist world will feel no hope of peace unless it can fall back on a world security system backed by military strength and ready to meet aggression promptly."

The U.N. has moved quickly to deal with the American program which is labeled "United Action for Peace." The Assembly's steering committee has placed the program on the agenda for full consideration.

It is the most important issue to come before the organization since its creation for the preservation of peace.

"I had heard so many stories about the functional middle-age period peculiar to women—I hoped I'd escape such symptoms. But I didn't. I found myself terribly embarrassed by hot flushes—I suffered such restless nights, and I could sense myself getting irritable and cranky—due to this cause."

"My druggist recommended Lydia E. Pinkham's Vegetable Compound to relieve such symptoms. I can understand now why he called it 'the woman's friend.' Pinkham's Compound gives me amazing relief. I find if I take it regularly—don't miss a day—it helps build up resistance against such middle-age distress."

P. S. Pinkham's Compound is very tasty in a little fruit juice. Or you may prefer Lydia E. Pinkham's TABLETS with added iron. Handy to carry in your purse.

Steel Profits Are Basis For Demands

Pittsburgh, Sept. 25 (AP)—Greater individual production and higher company profits form the basis of the CIO United Steelworkers' demand for a quick boost in pay for a million workers.

Philip Murray, president of both the CIO and the Steelworkers, said on Friday the Steelworkers do not want a wage boost tied to the cost of living alone. Murray is awaiting an answer from 1,400 steel companies he has asked to open wage

early this week and removed to the West Side Osteopathic hospital, West York, where he remains a patient.

Mr. and Mrs. Calvin Lerew entertained 39 persons, employees and their kin on Sunday at their cottage at Laurel Lake.

The Steelworkers' contract does not call for reopening on wages until November 1 but Murray says it's in the national interest to grant his men a pay boost as soon as possible.

The Steelworkers now average \$1.77 an hour. That compares to \$1.75 in the auto industry which

SHOTTON WILL STICK TO RICKEY

Philadelphia, Sept. 25 (AP)—Burt Shotton says he isn't going to retire from baseball yet which strengthens the rumor that Branch Rickey will become general manager of the Pittsburgh Pirates after he sells his Brooklyn Dodger stock.

That may sound a mite confusing. What have Shotton's future plans to do with Rickey going to the Pirates? That's easy to answer. The two have been the Damon and Pythias of baseball. Where Rickey goes Shotton is sure to follow. Thus, if Shotton is remaining in baseball, it's dollars to doughnuts, he's going to work for brother Rickey.

The 66-year-old Shotton may have just been in a good mood after his Dodgers smacked down the league-leading Phillies yesterday but he said in no uncertain tone, "I'll be in baseball next year. I don't know where, but I'll have a baseball job."

Well, it's almost a cinch that the gray-haired manager of the Dodgers isn't going to remain in Brooklyn after Rickey leaves. The Brooklyn board of directors is almost certain to clean house and Burt, if he doesn't resign first, is expected to be swept out.

That's where the two and two makes four thinking comes in. If Shotton is through in Brooklyn and

Sports Roundup

By HUGH FULLERTON, JR.

New York, Sept. 25 (AP)—This corner is stringing along with Joe Louis to whip Ezzard Charles Wednesday night for the simple reason that they've been picturing Ezzard as a fighter who thinks. . . . And you can hardly find a more thoughtful explanation than the one Ezzard gave for taking the fight: "I got to thinking that there was no sense in having an idol when it was costing me money." . . . There's some question about how much Louis has slipped and whether looking good in training is the same as being good in the ring.

But there's no doubt that Ezzard knows what his former idol has done in the past and that a guy with brains and imagination is just the one to remember those things at the crucial moment. . . . Without implying that Ezzard is likely to scare easily, we have the idea that his thinking may lead him to be unduly cautious. . . . Ray Arcel, who has

he's going to remain in baseball, where will he go? The answer: with Rickey to Pittsburgh of course. Burt came out of retirement four seasons ago only to help out "my good friend, Branch Rickey."

"I'll stay in baseball as long as Branch needs me," he has said many times.

packed eleven of Louis' fallen foes back to their corners, had the say on that: "You can't win running away from Louis; you gotta punch."

COMBES HIS HAIR

Harry Combes, Illinois basketball coach, was operating one of his players, big Rod Fletcher, about his defensive rebounding. . . . "You gotta get off your feet and control the ball after free throws," Combes explained excitedly. "When the ball comes off the ring, I want you to go up like this." . . . Harry neglected to look up before his demonstration and he smacked his noggin against a steam pipe running across the ceiling. . . . The impact sent Harry to his knees but didn't disturb his mental equilibrium. . . . "See what I mean," he said, rubbing his head, "rebound if it kills you."

DOT'S ALL BROTHERS

The guy who claimed Indiana U. has more Pennsylvanians than Fred Warling wasn't far wrong. The football squad, coached by Clyde Smith of New Eagle, Pa., has 48 lads from Clyde's home state.

MONDAY MATINEE

John Jacoby says he's happy to have Bobby Riggs associated with his all-star baseball barnstorming jaunt because "maybe we can get Gussie Moran to coach at third base." . . . Since Steve O'Neill took over the Red Sox in June, less than one third of his starting pitchers have gone the route. But the Soxers have a better record than anyone in

EAGLES ROMP OVER CARDS

New York, Sept. 25 (AP)—Greasy Neale can rest easy; there's plenty of pep left in his Philadelphia Eagles. They proved it yesterday—even without their ace backs, Steve Van Buren and Bosh Pritchard—with a 45 to 7 romp over the highly regarded Chicago Cardinals, of the National football league.

Van Buren, pro football's greatest ground gainer, returned to action but was sidelined in the opening quarter with a torn rib cartilage. Pritchard still is out with an injured knee, originally hurt last year and aggravated in all-star game this year.

Those mighty midwestern maulers—the Chicago Bears—made it two straight, lashing the San Francisco 49ers, 32 to 10. The Chicagoans, trailing by two points at halftime, rallied behind Johnny Lujack and scored two touchdowns in the third quarter to sew up the victory. George Blanda kicked three field goals for the Bears.

Green Bay's Packers came up with the afternoon's big upset—A 35 to 21 decision over the Washington Red-

skins. The packers' pass defense which at times resembles a sieve, rallied to the cause and stopped Sammy Baugh ice cold in the second half with only two completions. . . . Cleveland, as expected, had little trouble with the Baltimore Colts. The Browns displayed their all-around power for 17 points in the first quarter, then breezed to a 31 to 0 victory.

CODER INJURED

Gene Coder, Gettysburg college end, was to be discharged from the Danville hospital today where he was admitted Saturday night following an injury during the Bucknell game. An X-ray was to be taken this morning, a preliminary examination indicating a rib fracture. Coach "Hen" Bream went to Danville this morning to bring Coder back.

The packers' pass defense which at times resembles a sieve, rallied to the cause and stopped Sammy Baugh ice cold in the second half with only two completions.

Doak Walker, Golden Boy of the District Lions, capped a brilliant performance with a 20-yard field goal in the last three minutes to give the Detroiters a 10 to 7 triumph over Pittsburgh's steelers.

Cleveland, as expected, had little trouble with the Baltimore Colts. The Browns displayed their all-around power for 17 points in the first quarter, then breezed to a 31 to 0 victory.

BOY'S BODY FOUND
Harrisburg, Sept. 25 (AP)—The body of a 10-year-old boy, missing a week, was found yesterday in the Susquehanna river almost opposite Pennsylvania's executive mansion. Dr. Winfield Yarnell, deputy coroner, identified the boy as William Henry Stump, of Harrisburg. The lad disappeared last Sunday while walking along the river with his young sisters.

Philadelphia, Sept. 25 (AP)—Fu-

neral services will be held Wednesday for Walter T. Grosscup, former executive vice president of Lit Brothers. Grosscup, 67, died yesterday at his Germantown home.

He resigned as executive vice president of Lit's and as chairman of the Philadelphia highway traffic board last year because of failing health. Last March, however, he accepted an appointment to the Philadelphia board of education.

Littlestown

Littlestown—An evening of entertainment, in appreciation of assistance rendered at the annual carnival of the Kingsdale Volunteer Fire company, was furnished on Friday evening in the Kingsdale fire hall by the ladies auxiliary.

About 100 were in attendance representing the auxiliary members and their families, the firemen and others who assisted in the carnival.

Miss Esther Crouse showed motion pictures taken by her father, Walter F. Crouse, president of the fire company, on his recent tour of the United States. An Abbott and Costello reel was also shown. Paul E. King, supervising principal of the Littlestown school journey gave an address on "Fire Prevention Week."

The Rev. Frank E. Reynolds, pastor of Redeemer's Reformed church, announced that the motion picture, "Second Chance," being circulated by the Kingdom Service committee of the denomination will be shown Wednesday at 7:30 p.m. in the sanctuary. A nursery has been arranged in the social hall to entertain the children during this time.

At the preparatory service Sunday morning in St. Luke's Reformed church, White Hall, the pastor, the Rev. John C. Brumbach baptized Steven Donald Gardner, infant son of Donald Warren and Ferne Aralia (Sponseller) Gardner. He was born at Hanover August 23. The pastor announced that Holy Communion will be administered October 8 at 9 a.m. He also announced a meeting of the Ladies Aid society following church school on that day. The sound motion picture, "Second Chance,"

will be shown at St. Luke's on October 8 at 7:30 p.m. On October 22, the Rev. Dr. Paul T. Stonestifer, Lancaster, will be guest minister at 9 a.m. in the absence of the pastor.

Today's Talk

By GEORGE MATTHEW ADAMS

DO RIGHT—BE ALERT!
Driving home from my summer
vacation, I passed a sign on the
road that keeps coming back to
me, time and again. Seeing it early,
it kept running through my mind
all the way while on the road. It
was this: Do Right—Be Alert.I couldn't help but think of this
sign later when, making a sharp,
blind curve, another car to my left
was traveling at such excessive
speed that as its driver approached
he narrowly escaped hitting my car.
He took that curve so fast that his
car skidded far over the white line,
missing me by inches. By going at
such speed on a curve that driver
was not alert to the fact that an-
other car also had a right to the
road.The driver of a car who does the
right thing, considering the rights
of other drivers, and who never fails
to observe the rules of the road, has
nothing to fear. Such a driver may
always do the right thing, but he
must also be alert to the danger
that may be created by another
who does the wrong thing. Do
Right. Be alert! A very wonderful
bit of advice for every driver of a
car.That motto, also, is a fine one for
us all to apply in our daily life,
apart from the road. By doing the
right thing we stay out of trouble.
By being alert, we save ourselves
from any blunder and mistake. Also
we can often discover a new idea,
or learn something new by being
alert and watchful. Many of our
most valuable inventions owe their
discovery to the alert mind of some
one.Whenever we do a wrong thing we
are apt to involve an innocent per-
son. We not only have to pay the
penalty but force someone else to
do so—and nearly always without
his or her knowledge. By being alert
we avoid doing the wrong thing. It's
the unthinking who do the most
wrong things. Do right and you
don't have to write! You won't have
to explain. Your acts are the record.
Do right and you will feel right
within yourself. Be alert and you
will avoid many a pitfall. As individ-
uals we are a government unto our-
selves. We create our own demo-
cracy of the mind.* Tomorrow Mr. Adams will talk on
the subject: "Love's Foundation."

MEETING POSTPONED
We had postponed, as is common
to do,A meeting we'd planned.
No need that was urgent or hasty
we knew
For the business at hand.Not one of us thought at the
moment of what
By none can be known.
We talked of the future, but this
we forgot:
Time is never our own.At parting we laughed at a jest
that he told,
Went away merry-eyed;
But that meeting postponed now
we never shall hold,
For that evening he died.

3 o'clock, the stabling in the rear
of the Washington House, Mr. Houser,
proprietor, was found to be on fire.
An alarm was immediately given,
but before anything effective could
be done, the fire had made such
headway that the destruction of
the stabling was inevitable. . . . The
large hay shed of Mr. Alexander
Spangler, immediately opposite on
the railroad took fire and portions
of the roof were burnt, but the
building was saved. . . . Mr. Houser's
loss may reach \$400 or \$500. The
impression is that the stabling was
fired either intentionally or by the
careless use of cigars about the
stable. The town was full of excu-
sionists at the time.On Monday morning, about 4
o'clock, there was another alarm
of fire, occasioned by the discovery
of fire in the second story of the
residence occupied by Mr. Robert
A. Myers, on Carlisle street. During
Sunday there had been fire on an
open hearth. Before Mr. Myers re-
turned, his attention was attracted by
some smoke issuing from the floor
at the edge of the hearth. Water
was poured into the cracks. The
family was aroused by smoke in
the sleeping room and it was found
that the fire had burnt through
the floor. The damage was not con-
siderable.Wednesday morning the County

FOR CONGRESS
AFTER RECESSWashington, Sept. 25 (AP)—Taxes
on swollen business profits, state-
hood for Hawaii and Alaska and
possibly rent control look like the
big issues when Congress returns
to Washington two months from
now.Even those problems may be
too big to handle in a quick ses-
sion between November 27 and the
Christmas holidays.They were the major left-overs
when weary lawmakers knocked off
work late Saturday with a slap at
President Truman—a thumping re-
jection of his veto of a stiff anti-
Communist bill.The bill was put on the lawbooks
when the Senate voted 57 to 10 to
override the veto. That was 12 votes
more than the two-thirds majority
needed. The House had overturned
the veto within an hour after Mr.
Truman sent it to Capitol Hill Fri-
day afternoon. The vote there was
286 to 38.May Take Years
Because of the complex ma-
chinery provided and the an-
nounced defiance by the Com-
munist party, it appeared likely
that months or even years would
elapse before anyone could be
punished under the law.It calls for registration with the
government by Communist groups
and fronts and provides for in-
terment of Reds in time of war,
invasion or insurrection.Another major enactment of the
adjourned Congress will have al-
most immediate effect. Starting
next Sunday, income tax with-
holdings will jump one-fifth for most
of the nation's \$0,000,000 income
taxpayers.The tax boost, estimated to pro-
duce about \$4,700,000,000 yearly,
was approved by Mr. Truman about
its time Congress was winding up
the chores. He acted swiftly, just a
day after Congress sent him the bill.Some Will Be "Lame Ducks"
Even before that, the tax-writing
House Ways and Means committee
decided to start public hearings No-
vember 15 on a second tax increase
which Congress has pledged will
include an excess profits tax on
corporations. Estimates are that it
will produce from \$4,000,000,000 to
\$6,000,000,000 a year.The committee said it will try
to limit the hearings to five days
and have a bill ready for prompt
action when Congress reconvenes
November 27.Rep. Spence (D-Ky.) told news-
men, too, that he hopes to have a
new rent control bill ready for
action during the short session. The
present law expires generally on
January 1, although local communi-
ties can extend controls for an-
other six months by taking positive
action to do so.House and Senate set November
27 to get back to the legislative
grind. Some members are bound to
return as defeated "lame-ducks," as
all 435 House seats and 36 of the
96 in the Senate are at stake in
the November election. The new
82nd Congress will open January
3.List of Accomplishments
For legislators now climbing onto
political stumps to get their cam-
paigns going full tilt, the 81st Con-
gress provided plenty of talking
points.On the list of accomplishments,
besides the tax increase, were
items like:
A big expansion of the Social
Security program to increase bene-
fits and make perhaps 10,000,000
more people eligible for them.Removal of federal taxes on oleo-
margarine.
Raising from \$5,000 to \$10,000 the
federal insurance on bank deposits.
Boosting the national minimum
wage from 40 to 75 cents an hour.
A \$1,500,000,000 slum clearance
and low-cost housing program.
But many a Truman proposal
went to the scrap pile and stayed
there.Soldier Killed In
Leap From TrainDickinson, N. D., Sept. 25 (AP)—
Pvt. Philip R. Hummel, 30, of
Phillipsburg, Pa., died in Dickinson
hospital 24 hours after leaping from
a moving Northern Pacific passenger
train. Doctors said his left side was
mangled.B. J. Fuerslenburg, brakeman, told
police the soldier dived from the
train Saturday when he attempted
to question Hummel about a smashed
window. The brakeman said the
soldier struck him in the face and
then went through the top part of

Hummel and took him to the hos-

Frequent Watering Need Of
Window Box In SummerMost frequent cause for failure
with outdoor window boxes is lack
of water. They are usually set so
close to the wall they do not get
the benefit of rains while at the
same time they are dried out by heat
radiated by the walls. Soil in the box
is limited in quantity and may re-
quire soaking twice a day during the
hot weather.To get the greatest pleasure out
of a window box, plant it yourself
and take care of the plants. You
can even make the box, if you
know how to saw and drive nails.
Use 1-inch boards of cypress or
white pine and paint the box to har-
monize with the house trim. A box
should be at least 8 inches deep,
10 inches wide and long enough to
fit the window.Outdoor boxes should have drain-
age, so that excess water can escape.
Never buy a self-watering box for
outdoors, for every rain would flood
the plants and eventually kill them.
The plants to use will depend on the
amount of sunshine they receive.On the south side of a house,
with sunshine unimpeded by trees
or buildings, the balcony petunias
will thrive. These develop long
stems which trail from the box
bearing flowers of white, blue, red,
pink and crimson. The balcony
petunias were bred in Europe for
window box use, and are among the
finest of all petunias.Trailing lobellias have the same
habit of growth, with small flowers
of sapphire blue. Nasturtium Golden
Glean is an excellent window-box
plant, and there are red, pink and
orange nasturtiums which have a
vine-like habit. Dwarf zinnias,
marigolds, phlox, and the lovely
heavenly blue morning glory can be
grown. Petunias and lobellias should
be purchased as plants at this sea-
son, but the others can be grown from
seed.For boxes on the east and west
sides of the houses enjoying a few
hours sun, impatiens, clarkia, be-
gonias, fuchsia, lantana, pansies,Working Diagram of Attractive
Window Box.Boxes on the north side of the
house should be filled with foliage
plants. Fancy leaved caladiums are
excellent for the purpose. These grow
from a huge bulb which can be
saved from year to year. Their el-
ephant's ear leaves are attractively
colored. Ferns, coleus, sedum spec-
table, and dwarf evergreens are
other possibilities.Because of the small quantity of soil
which a window box holds, it should
be the best obtainable and well
enriched. Forists' potting soil or its
equivalent should be used, and with
it a complete plant food should
be mixed at a rate of one heaping
tablespoonful for each gallon of soil.
A similar quantity should be added
every month during the growing sea-
son.Faded flowers should be cut off
regularly to encourage new growth
and stems cut back for the same
purpose. If insects attack the plants
they can usually be controlled by
dusting with rotenone.

THE GETTYSBURG TIMES AGRICULTURE EDITOR
Box 1528, Washington 13, D. C.BRIEF NOTES ON PEONY
CULTURESeptember 15 is generally consid-
ered the best time of the year to
plant peonies or to divide and re-
plant old clumps.Among eight common causes of
peony failures, too deep planting
is usually listed first. The others fol-
low in probable order of their im-
portance:

1. Hard or heavy soils lacking or-
ganic matter.
2. Shallow loams, often accom-
panied by poor drainage.
3. Shade.
4. Competition from roots of near-
by trees.
5. Starvation.
6. Improper division of roots.
7. Insects and diseases.

Like most other ornamental and
food plants which form tubers, bulbs,
corms or fleshy roots, peonies should
have a deeply mellow loam con-
taining plenty of humus to hold
moisture in dry weather and serve
as a medium of good drainage during
wet periods.Peonies begin to send out small
feeder rootlets in the early fall.
This explains why early September
planting is stressed. Too, it clarifies
the advice against attempts to plant
roots in the spring.Many inexperienced growers en-
tertain the idea that peonies are
somehow strangely benefited by di-
vision and replanting every two or
three years. This is not true. Peony
clumps should be left undisturbed as
long as the plants are vigorous and
produce satisfactory blooms. Division
and replanting are unnecessary, in
fact unwise, until crowding roots or
tiring soil fertility render the work
needful. This may be in three years
after the original planting or it may
be in twenty-five years.Well weathered cattle manure
gathered from a summer pasture and
finely pulverized, along with rich
loam from an idle fence row or other
fertile area, makes an excellent ad-
dition to lighten and enrich soils
for peonies. This should be spaded
into and worked through the rooting
stratum to a depth of 16 to 20 inches
or more.

Some bone meal should be worked

into the top soil about a week before
planting time, with the soil watered
thoroughly afterward to dissolve the
fertilizer.

no deeper than 2 inches after the

puny blooms.One of the important "don'ts" for
beginners with peonies is don't use

Ticklish ProblemWashington, Sept. 25 (AP)—Presi-
dent faced today the ticklish politi-
cal problem of naming a five-man
board to fill a key role in enforce-
ment of the new Communist control
act he roundly denounced.
Congressional enactment of the
law over Mr. Truman's veto brought
a prompt pledge to enforce it
"vigorously" from Attorney General
McGrath, who like the President
had opposed it.But McGrath's Justice Depart-
ment can take no action under one
of the bill's major provisions—that
calling for registration of Commu-
nist organizations and their fronts
—until establishment of a Subser-
vice Activities Control Board
(SACB).That board of five men—not more
than three of whom can be from the
same political party—must decide
after hearings whether an organiza-
tion is required to register under the
law. It will act upon complaints by
the Justice Department.

pany was built in Jamestown, Va.,

Littlestown—An evening of entertainment in appreciation of assistance rendered at the annual carnival of the Kingsdale Volunteer Fire company, was furnished on Friday evening in the Kingsdale fire hall by the ladies Auxiliary.

About 100 were in attendance representing the auxiliary members and their families, the firemen and others who assisted in the carnival. Miss Esther Crouse showed motion pictures taken by her father, Walter F. Crouse, president of the fire company, on his recent tour of the United States. An Abbott and Costello reel was also shown. Paul E. King, supervising principal of the Littlestown school, gave an address on "Fire Prevention Week."

The Rev. Frank E. Reynolds, pastor of Redeemer's Reformed church, announced that the motion picture, "Second Chance," being circulated by the Kingdom Service committee of the denomination will be shown Wednesday at 7:30 p.m. in the sanctuary. A nursery has been arranged in the social hall to entertain the children during this time.

At the preparatory service Sunday morning in St. Luke's Reformed church, White Hall, the pastor, the Rev. John C. Brumbach baptized Steven Donald Gardner, infant son of Donald Warren and Fernie Arcila (Sponseller) Gardner. He was born at Hanover August 23. U.N. SECURITY FORCE SEEN AS BOON TO PEACE

By DEWITT MACKENZIE
(AP Foreign Affairs Analyst)

America's proposal for a U.N. security force, will, if implemented, prove the greatest boon the peace organization could experience.

Thus far the United Nations has been impotent to carry out the mission for which it primarily was created: maintenance of peace. It has been equipped only with moral suasion, and has lacked the physical power to compel aggressors to obey its injunctions.

It's a sad commentary on our times, but law can't be maintained in our hard-fisted world without a police.

The United States proposal was submitted to the U.N. General Assembly by Secretary of State Acheson. It calls on all members to furnish contingents for an international army to crush aggression anywhere and everywhere.

Roving Peace Patrol

But that isn't all. Acheson further proposed the creation of a roving peace patrol to keep a lookout for trouble the globe around, and he advocated that the U.N. be prepared to take quick action.

If such an international force—both preventive and punitive—had been available, the Korean war might have been averted altogether.

A highly important aspect of the American proposal is that the entire General Assembly be empowered to take charge of such an issue if the Security Council is unable to do so because of obstruction. This is a move to circumvent the constant Soviet use of the all powerful veto power in the Council to stymie proposals which Moscow has opposed. The veto doesn't apply to the General Assembly.

Acheson's program immediately claimed global attention. The reaction among objective observers is well summed up in an editorial by the widely-known British newspaper, the Manchester Guardian, which says of the proposals:

"They will make a working program which will at least provide a sincerity test for the United Nations members. There is nothing in them to which Russia can fundamentally object, if her aims are as unaggressive as she pretends. x x x But the non-Communist world will feel no hope of peace unless it can fall back on a world security system backed by military strength and ready to meet aggression promptly."

The U.N. has moved quickly to deal with the American program which is labeled "United Action for Peace." The Assembly's steering committee has placed the program on the agenda for full consideration.

It is the most important issue to come before the organization since its creation for the preservation of peace.

Nurse Is Killed In Auto Accident

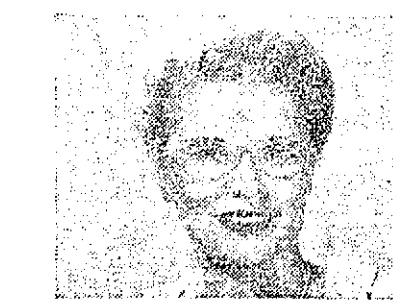

Lancaster, Pa., Sept. 25 (AP)—A 48-year-old nurse was killed and her male companion was injured when their car crashed into the concrete base of a gasoline station sign at Paradise, nine miles east of here, police reported.

Mrs. Mary C. Stacey, of Lancaster, a nurse at the U. S. Veterans' hospital in Coatesville, was dead on arrival at St. Joseph's hospital following the crash yesterday.

Robert H. Rinehardt, 35, was hospitalized with a fractured left leg, lacerations of the right eye and possible internal injuries. He is an administration office employee at the

"I GET WONDERFUL RELIEF NOW FROM HOT FLUSHES"

And Urge Every Woman 38 to 52 Years Old to Read This!

"I had heard so many stories about the functional middle-age period peculiar to women—I hoped I'd escape such symptoms. But I didn't. I found myself terribly embarrassed by hot flushes—I suffered such restless nights, and I could sense myself getting irritable and cranky—due to this cause.

"My druggist recommended Lydia E. Pinkham's Vegetable Compound to relieve such symptoms. I can understand now why it called it 'the woman's friend.' Pinkham's Compound gives me amazing relief. I find if I take it regularly, I don't miss a day—it helps build up resistance against such middle-age distress."

P. S. Pinkham's Compound is very tasty in a little fruit juice. Or you may prefer Lydia Pinkham's TABLETS with reduced iron. Handy to carry in your purse.

East Berlin

East Berlin — Mervin G. Mover, west of town, is suffering from severe injuries to his hands sustained recently when he was changing the belt on a corn cutter at the farm of his father, Charles S. Myers. The young man suffered amputations of the tips of both thumbs and the tips of two fingers on his left hand.

There are 35 children, from both town and rural districts, enrolled in the first grade of the borough school this year. They are: Collin Altland, Robert E. Cashman, Stewart E. Christopher, Jr., Barry M. DeBolt, Jeffrey Eisenhart, Richard Gulse, Michael L. Heiner, Lester R. Horman, Wayne Herr, Walter Hostetter, Jack Innerst, Richard Leathery, John B. MacLay, Larry E. Myers, Barry Rinehart, Robert Lee Rohrbach, Eugene Sowers, Francis Stambaugh, Rodney Thompson, Elmer Wantz, Laverne Wolf, Terry Young, Robert Walton, Alma Anderson, Donna Byers, Donna Lee Byers, Gloria DeHaven, Shirley Dell, Judy Gross, Mary P. Hull, Ruth Ellen Leister, Mary Ann Myers, Ruth Mae Myers, Pamela J. Oberlander and Barbara Patterson. Their schoolroom is again in the former Red Men's hall, over Cashman's hardware store. The teacher is Miss Beulah E. Wentz, who was the teacher of the parents of some of these children when they were in the primary grades.

Mrs. Charles Myers has been under a physician's care as the result of a fall down the entire front stairway at her home near the Square over the weekend. Her left arm is disabled as a result. It was at first feared that the arm was fractured, but X-rays reveal no broken bones. However, Mrs. Myers' Coatesville Veterans' hospital.

Rinehardt, whose home is in Shamokin, told state police he and Mrs. Stacey were returning from a visit with her father in Mt. Carmel when the crash occurred.

Steel Profits Are Basis For Demands

Pittsburgh, Sept. 25 (AP)—Greater individual production and higher company profits form the basis of the CIO United Steelworkers' demand for a quick boost in pay for a million workers.

Philip Murray, president of both the CIO and the Steelworkers, said on Friday the Steelworkers do not want a wage boost tied to the cost of living alone. Murray is awaiting an answer from 1,400 steel companies he has asked to open wage

early this week and removed to the West Side Osteopathic hospital, West York, where he remains a patient.

Mr. and Mrs. Calvin Lerow entertained 39 persons, employees and their kin on Sunday at their cottage at Laurel Lake.

The Steelworkers' contract does not call for reopening on wages until November 1 but Murray says it's in the national interest to grant his men a pay boost as soon as possible.

The Steelworkers now average \$1.77 an hour. That compares to \$1.75 in the auto industry which

recently was granted a 10-cent hike. Murray hasn't spelled out in dollars and cents what he thinks the Steelworkers should get. He's leaving that up to the union's wage policy committee which meets October 4 at either Harrisburg or Pittsburgh.
